ABLES of the HALF-PAY of the under-mentioned Officers of the ROYAL NAVY and ROYAL MARINES.

Officers who have elected former Regulations, and old rates of Half-Pay, are referred to former Navy Lists and Admiralty Instructions.

No Naval or Marine Officer below the rank or relative rank of Flag Officer, who is temporarily unemployed, but has a definite liability for further active service, is discharged to non-active pay except:—

(*a*) after the maximum period of full-pay sick leave has been exhausted, and

(*b*) when unemployed at his own request, or owing to misconduct, or to refusal of employment, or to disability due to causes within his own control.

Officers of the Royal Navy and Royal Marines placed on half-pay under the preceding regulation receive, if more beneficial to them than the rate of half-pay prescribed under existing regulations, half-pay of 5*s.* a day.

The above has effect, at the discretion of the Admiralty, from the 1st October, 1917, until the conclusion of Hostilities.

PENSIONS AND GRATUITIES TO OFFICERS INCAPACITATED FOR FURTHER SERVICE OWING TO ILL-HEALTH, WOUNDS, INJURIES, ETC., ATTRIBUTABLE TO, OR DEVELOPED BY, SERVICE IN THE PRESENT WAR

Extract from Orders in Council with effect from 1st April, 1917:—

Officers Disabled

1.—(1) An officer who retires, relinquishes his commission, or reverts to the Reserve or Retired List on account of medical unfitness certified as either attributable to or aggravated by naval or military service in consequence of the present war, and not being due to his serious negligence or misconduct, may be granted the retired pay shown in the First Schedule to these Regulations which corresponds to the degree of his disablement as certified.

(2) If the officer holds a permanent commission in the Royal Navy or Royal Marines, he may be allowed to retain or receive either (*a*) the retired pay or gratuity which has been awarded to him, or which he is eligible in respect of his service, or, if he is not so eligible, the half pay which is proper to his rank and service, with an addition as in the last column of the First Schedule to these Regulations, or (*b*) the retired pay which would have been awarded under that schedule to an officer holding a temporary commission according to the degree of his disablement, whichever is more favourable.

3. If a disabled officer is in receipt of a service pension as a seaman or marine and does not hold a permanent commission in the Royal Navy or Royal Marines, he may be granted either (a) that pension with an addition for his disability as in the last column of the First Schedule to these Regulations, or (b) the retired pay for which he is eligible under that schedule according to the degree of disablement, whichever is more favourable.

(4) If a disabled officer is in receipt of wounds gratuity or pension, he shall only be eligible for retired pay at a rate equal to his half pay or if eligible therefor, his retired pay for service, unless that half pay or retired pay and the wounds gratuity or pension together amount to less than the retired pay to which he would be entitled under these regulations. In that case an amount equal to the deficiency may be added to his retired pay.

(5) An officer who has lost the sight of both eyes as the result of wounds received in action shall be granted not less than £300 a year in wounds pension and retired pay taken together.

(6) Subject to sub-sections (3) and (4) of this Article, if a disabled officer is already in receipt of pension as a seaman or marine or retired pay as an officer or warrant officer, it shall be suspended so long as he is receiving a higher rate under these Regulations.

(7) If an officer on or after general demobilisation, or after retirement, or relinquishing his commission, or transfer to or reversion to the Reserve or Emergency List, otherwise than for misconduct or at his own request, is certified to be disabled by wounds, injuries, or disease attributable to or aggravated by naval or military service in the present war, such disablement not having been caused or aggravated by his serious negligence or misconduct, he may be granted retired pay or gratuity as if he had retired as medically unfit for further service upon the date from which his claim is established.

2.—(1) In cases of pecuniary need the Minister of Pensions may, at his discretion, grant to a disabled officer who is in receipt of retired pay under Article 1 of these Regulations an education allowance not exceeding £50 a year in respect of each child above the age of 9. The continuance of the allowance shall depend on the continuance of the retired pay, and on the Minister of Pensions being satisfied as to the education the child is receiving. It shall not be granted to an officer receiving alternative retired pay under Article 3.

(2) In any case in which, in the opinion of the Minister of Pensions, it may become necessary to secure the proper care of a child on behalf of whom an education allowance is payable, the allowance instead of being paid to the parent may be administered under such conditions as the Minister of Pensions may determine.

3.—An officer who makes application and shows that the retired pay which he has been granted under the preceding articles of these Regulations, together with any wound gratuity or pension of which he is in receipt, together with the average earnings (if any) of which he remains capable, are less than his pre-war earnings, may be granted temporarily or permanently in lieu of such retired pay, retired pay which, together with the wound gratuity or pension, and the average earnings (if any) of which he is judged capable, shall not exceed his pre-war earnings up to a maximum of £300 a year, plus half any pre-war earnings between £300 and £600 a year.

4.—(1) If an officer's disablement is not permanent, the grant of retired pay and allowances under the foregoing articles shall be temporary, and shall not be made permanent unless the permanency of the disablement is established.

(2) When an officer's retired pay has been made permanent, it shall not be altered on account of any change in his earning capacity, whether resulting from training or other cause, neither shall it be subject to review except—

3.—An officer of warrant rank who makes application and shows that the disability pension and children's allowances which he has been granted under the preceding articles of these Regulations, together with any wound gratuity or pension of which he is in receipt and the average earnings (if any) of which he remains capable, are less than his pre-war earnings, may be granted, temporarily or permanently, such disability pension and children's allowances, a pension which, together with wound gratuity or pension and the average earnings (if any) of which he is judged capable, shall not exceed his pre-war earnings to a maximum of £260 a year, plus half any pre-war earnings between £260 and £400 a year.

Retirement will be compulsory at the age of 55 as under present rules, or earlier in the case of the Officer being found unfit for further active service.

By Order in Council of 13th March, 1917, the above rates of Retired Pay are applicable to Warrant Officers and Non-Commissioned Officers who had been discharged to Pension for Hostilities, or who have since completed time for Pension and have been granted temporary Commissions.

(*b*) £300 per annum, after 7 years' service as Substantive Major in the Establishment.

EFFECT OF LOSS OF SENIORITY BY SENTENCE OF COURT-MARTIAL

The sentence of a Court-Martial, placing an officer at the bottom of the list of his rank involves the loss of previous time of service in that rank; so also, when the sentence of a Court-Martial takes away any seniority from an Officer, it thereby affects his Full, Half, and Retired Pay and gratuity in cases where the same depend upon seniority; and it carries with it the loss of the benefit of the service, included in the seniority forfeited, in cases where the Full, Half, and Retired Pay and gratuity, depend upon actual service.

I. The List to be made out in triplicate, for their Lordships the Commander-in-Chief, at the Ports where the Officers are to be borne, and the Accountant-General when Officers are entitled to Full-pay Leave, otherwise it is to be made out in duplicate, for their Lordships and the Accountant-General.

II. Foreign Service in a Ship commences on the date of leaving England, and ends upon her arrival home, the time employed fitting out at home and dismantling after arrival not being reckoned as Foreign Service. If a Ship returns to England and proceeds again to a Foreign Station, the time in England is not to be reckoned as Foreign Service.

For every complete six months' service abroad . . . . . One week
For every month served beyond the last period of six months. . . One day
This scale to extend to a period of five years' absence from England.

J. Cases in which the absence from England is more than five years, will be specially dealt with by their Lordships when circumstances, in their opinion, warrant the extension of some special indulgence to an Officer returning to England after such absence.

In such cases the time served as Warrant Officers may be allowed to reckon as superior single petty time under Article 1938 of the King's Regulations.

The Pensions of Commissioned Warrant Officers and Warrant Officers will be held only during good behaviour.

The case of a Chief or other Officer of Coast Guard Cruisers, who may sustain a wound or injury on duty will be specially considered.

CHIEF AND HEAD SCHOOLMASTERS (OLD SCHEME).

1. Retiring Pensions shall be awarded to Chief and Head Schoolmasters under the following regulations:—

a. They shall be pensioned at 55 years of age, or at any less age, if found unfit for, or unworthy of, further employment; and they may be pensioned, by the permission of the Admiralty, at their own request, at 50 years of age. Chief and Head Schoolmasters may, however, be retained on the Active List up to the age of 60, if the Admiralty considers that it will be for the benefit of the Service.

b. The following shall be the scale of Pensions, but Chief Schoolmasters shall receive an additional sixpence a day for each year's service as Chief Schoolmaster, up to a maximum Pension of £150 a year:—

GENERAL RULES.—CONDITIONS OF RETIREMENT, &c

NOTE.—*For Tables of Full, Half, and Retired Pay, and Gratuities, see pp. 2283, 2284*

NAVAL OFFICERS.

I.—General Rules.

1. After retirement no increase of retired pay to be allowed to any Officer, except in the case of his retention in a Civil appointment at or under the Admiralty. The only addition possible will be in the form of Pension.

2. Power is reserved to the Admiralty to suspend at any time and with respect to any rank, the provisions of the Order under which an Officer may at his option retire at an age less than that fixed for compulsory retirement in each rank. It must be understood that optional retirement may be suspended in the case of any individual Officer to whose rank this clause applies without extending the suspension of optional retirement to other Officers of the rank.

The same power exists of suspending the provisions as to voluntary retirements.

3. Retirement from the Active List is not to disqualify any Officer for employment at or under the Admiralty.

3a. Officers appointed to technical and administrative posts, which carry with them rates of pay and pension on a civilian basis, shall be supernumerary to the Established Lists whilst so employed.

4. The sentence of a Court Martial placing an Officer at the bottom of the list of his rank involves the loss of previous time of service in that rank; so also when the sentence of a Court-Martial takes away any seniority from an Officer, it thereby affects his half or retired pay or pension, in cases where the same depend upon seniority; and it carries with it the loss of the benefit of the service included in the seniority forfeited, in cases where the half or retired pay, pension, or gratuity, depend upon actual service; but, although the time is forfeited, it is to be considered as service in reference to compulsory removal from the Active List.

5. (*a*) An Officer who, in the opinion of the Admiralty, by reason of an act or acts of misconduct or through intemperate or irregular habits of life has become unfit for, or, in the opinion of the Admiralty, for any reason unworthy of, further employment, may be placed on the Retired or Pension List irrespective of Age or Service, whether he has been tried by Court-Martial or not.

(*b*) An Officer placed on the Retired List under Clause (*a*), may be granted such rate of Retired Pay or such Gratuity, as the Admiralty may think fit, provided that the amount of Retired Pay shall in no case exceed the half pay to which such Officer was entitled previous to retirement, and that the amount of the Gratuity awarded shall not exceed the commutation value (as assessed by the Pensions Commutation Board) of such half-pay; and shall be reduced by the amount of Gratuity to which he would have been entitled under ordinary circumstances.

No Officer may, however, be granted Retired Pay in excess of the amount to which he would have been entitled under ordinary circumstances.

(*c*) An Officer who has had long and good service but who is not entitled under ordinary Regulations to Retired Pay or Gratuity, in consequence of the nature of service by sentence of Court Martial may be awarded such Gratuity, not exceeding five hundred pounds (£500) as the Admiralty may think fit.

(*d*) An Officer dismissed the service by sentence of Court-Martial may be awarded a Compassionate Allowance not exceeding the lowest rate of Retired Pay of his rank; but the granting of such Compassionate Allowance shall be entirely at the discretion of the Admiralty.

No Officer may, however, be awarded a Compassionate Allowance in excess of the Retired Pay to which he would have been entitled, under ordinary circumstances, on retirement.

(*e*) Sub-Lieutenants and Assistant Paymasters whether dismissed the Service by Court-Martial or placed on the Retired List under Clause 5 (*a*) may be awarded gratuities not exceeding £24. for each year's service in these ranks, or £60. in all.

(*f*) Officers allowed to resign their commissions to avoid trial by Court-Martial may be granted such compassionate allowance as the Admiralty may think fit, provided that such allowance shall in no case exceed one-third of the amount of half pay to which the Officer was entitled at the time of resigning, and provided also that such allowance shall in no case any case exceed 100*l.* per annum.

(*g*) Commissioned Warrant Officers, Warrant Officers, and Officers of Coast Guard other than Commissioned Officers, placed on the Retired List under Clause (*a*) may be awarded such rate of retired pension as the Admiralty may in each case think fit.

(*h*) Nothing in these provisions shall prevent or affect the power of the Admiralty to dismiss the service Officers, or shall confer on any person who has been removed from His Majesty's Service a right to half-pay, retired pay, or pension, compassionate allowance, or gratuity.

The expression "an Officer" in these regulations shall, unless the context otherwise requires, include Commissioned Officers, Warrant Officers and Subordinate Officers of all ranks.

UNIFORM REGULATIONS FOR OFFICERS OF THE FLEET.

The following are the descriptions of the *Uniform to be worn by the Officers of the Royal Navy:—

XTRACTS FROM THE KING'S REGULATIONS AND ADMIRALTY INSTRUCTIONS

FROM CHAP. I.—GENERAL REGULATIONS.

1. The Officers, Men, and Boys of His Majesty's Fleet and the Royal Marines shall wear such Uniforms as the Admiralty in pursuance of His Majesty's pleasure shall from time to time direct. (154 *et seq.* *Uniform Regulations*).

FROM CHAP. II.—CEREMONIES AND DISTINCTIONS.

SECT. XVI.—UNIFORM.

154. In accordance with the provisions of Art. 4 the Uniforms directed to be worn are specified and described in the Book of Uniform Regulations, and are also published from time to time in the Navy List.

2. The prescribed patterns are to be strictly adhered to.

When to be worn.

155. Every Officer from the time of his joining the Fleet, Squadron, or Ship to which he shall be appointed, to that of his being removed from it, shall wear the uniform established for his rank, except when he shall have leave from the Admiralty or the Senior Officer to be absent from his duty, or as hereinafter provided.

Public Occasions.

2. At Reviews, Public Balls, or Entertainments given by Naval or Military Authorities, by Civil Functionaries, or by Military Messes at ports at which their ships may be lying, Officers are to wear the uniform of their rank, as prescribed for the various occasions specified in the Uniform Regulations under "Dresses and occasions on which they are to be worn," and no deviations are to be authorised without special authority previously obtained from the Admiralty.

Not at Fancy Balls.

3. Officers are not to wear Naval Uniform at Fancy Dress Balls. They are not prohibited, however, from appearing at such Entertainments in uniforms of a date anterior to 1843.

Plain Clothes.

4. Permission may be given to Officers to wear plain clothes on ordinary leave.

Subordinate Officers.

5. Subordinate Officers when on ordinary leave are to wear the uniform of their rank; but permission may be granted to them to wear plain clothes when going into the country, or to ride, shoot, play cricket, or for exercise.

Foreign Ports.

6. In Foreign Ports great discretion should be exercised in allowing Officers to appear out of uniform, as in such cases they have no right to expect to be recognised as British Officers.

Marines.

7. Officers of the Royal Marines are to wear their full dress on the occasions when ball dress and frock coat with epaulettes dress are worn.

Officers not on full pay.

156. Except by special direction of the Admiralty Officers on the Active List not on full pay and Officers on the Retired and Reserved Lists whose names appear on the list of the Navy, are permitted to wear the uniform of their respective ranks on State and other occasions of ceremony only.

SECT. XIX.—MANNER OF WEARING DECORATIONS, ORDERS, AND MEDALS.

Knights Grand Cross and Knights Grand Commanders.

167. The Insignia of Knights Grand Cross and Knights Grand Commanders, of Orders consisting of the Badge suspended from a broad ribbon over the shoulder, and the Star, are to be worn with full dress and ball dress; with the former the Ribbon should be worn under the epaulette and sword belt; with the latter, under the coat and over the waistcoat. With full dress, on collar days, the collar takes the place of the ribbon, being worn over the epaulettes, hanging at equal distance back and front, and fastened to the shoulders by bows of white satin, one and a half inches wide.

2. With frock coat and epaulettes the Star of the order only is to be worn. With frock coat the Star may be worn at discretion.

3. With uniform coats other than full dress and ball dress the ribbon of a Companion of the Order is to be worn, except that with mess dress, miniature Badges but not Stars may be worn in lieu, and with mess undress, miniature Ribbons.

Knights Commanders and Commanders.

4. The Insignia of Knights Commanders and Commanders of Orders and of Companions of the Orders of the Bath, the Star of India, Saint Michael and Saint George and the Indian Empire, consisting of the Badge suspended from a ribbon round the neck, and in the case of Knights Commanders, the Star, are to be worn with full dress, ball dress, and frock coat with epaulettes. The ribbon should be worn inside the collar of the coat and under the necktie so that the Badge hangs outside one inch below the front of the collar or the tie.

If the Insignia of more than one Order be so worn, the senior ribbon and badge is worn as described above. With ball dress the other Badges are worn in miniature; with full dress and white undress they are worn one below the other, each suspended on three inches of ribbon† emerging from between the buttons of the uniform coat, commencing with white undress one inch below the senior badge, and with full dress between the first and second buttons on the right side of the coat.

The above rule applies to such classes of British and Foreign decorations as are ordered to be worn round the neck.

5. With the frock coat the Star only may be worn by Knights Commanders at discretion.

6. With uniform coats, other than full dress and ball dress, the rules laid down in clause 3 are to be observed.

* Specimen Uniforms may be seen at the Admiralty Pattern Rooms, Broadway Westminster, S.W.
† The ribbon is fastened by a hook to a small eye stitched inside the coat.

88. Medal of the Order of the British Empire.
89. Medal of the Order of St. John of Jerusalem in England. ‡
90. Badge of the Order of the League of Mercy.
91. Royal Victorian Medal. (Bronze.)

* These orders are not worn in miniature.

‡‡ The ribbons of these orders are not worn in Undress Uniform.

‡‡‡ Order of Merit comes immediately after the Garter. It is not worn in miniature, but is to be worn round the neck on *all* occasions.

† The Indian Order of Merit (Military and Civil) is distinct from the Order of Merit (see clause 6).

‡ If more than one of these medals is awarded for the same act of gallantry, only one medal is to be worn, viz., that which appears highest in the list.

The above order of Decorations applies to those of similar grades. When the miniature of a higher grade of a junior Order is worn with the miniature of a lower grade of a senior Order the higher grade miniature should come first, *e.g.*, a miniature of a K.C.I.E. will come before a K.B., and a G.C.M.G. before a K.C.B.

b. Foreign Orders.—In order of date.

c. Foreign Decorations.—In order of date.

d. Foreign Medals.—In order of date.

Undress Uniform no Badge of an Order will be worn round the neck except the Order of Merit.

A ribbon of a decoration or medal may be worn from the date of the official notification of award, and may be worn when the recipient is for investiture.

Bar, Full Dress.

On the full dress coat the bar must not project beyond the centre seam, and when the Decorations, Orders, and Medals cannot on account of their number be suspended from the bar so as to be fully seen, they are to overlap, the highest showing in full.

Bar, Half Dress.

With half dress the bar is to go over the lapel, if necessary, but not beyond, and if from the number of Decorations, Orders and Medals, it should be too long to be worn conveniently, miniatures may be worn in lieu.

Medals awarded by Societies.

Medals awarded by a Society for bravery in saving human life, if specially authorised to be worn, are to be worn on the right breast, similarly to those on the left, and on the same horizontal line.

If the Stanhope Gold Medal is awarded to an officer or man by the Royal Humane Society, it is to be worn in place of, and not in addition to, the Silver Medal previously granted.

Description of bar.

In all cases the bar for the suspension of Decorations, Orders and Medals is to be provided at the expense of the wearer. It may be of any metal or material, and of any pattern consistent with the above instructions, provided that the bar and the buckle are wholly concealed by the ribbons.

Length of ribbons.

The ribbons of Decorations, Orders and Medals are to be of the following lengths:—

a. When Decorations, etc., are worn:—

Full size	1 inch
Miniature	½ inch

b. When ribbons alone are worn:—

Full size	½ inch
Miniature	¼ inch

These lengths are not to be exceeded, unless, in the case of medals, the number of clasps should necessitate it.

Ribbons sewn on the coat.

16. When ribbons, either full sized or miniature, are required to be sewn on the uniforms, the same order of arrangement is to be followed as that laid down in clause 10, for Decorations, Orders and Medals. Knights Grand Cross, Knights Grand Commanders, Knights Commanders and Commanders will however add the ribbon of a Companion or Member of the order, or orders, to which they belong under clauses 3 and 8. The ribbons are to be sewn plain on the cloth of the uniform, without intervals; and when the space between the shoulder to the edge of the lapel is insufficient to accommodate them in one row, they are not to be made to overlap as on the bar but are to be arranged in two or more rows placed immediately under each other, with an interval of ¼ inch intervening between each row.

Ribbons of Orders and Medals, to wear which private permission has been given, are not to be sewn on the coat.

Decorations, &c., with White Uniform.

17. With white undress, Decorations and Medals or ribbons of Decorations and Medals are to be worn as prescribed for the dress in lieu of which white undress is being worn. The broad ribbon of Knights Grand Cross and Knights Grand Commanders should be worn under the shoulder strap.

When worn with white uniform, the ribbons of Decorations and Medals are to be placed on a removable bar.

Miniature Decorations, Badges and Medals.

18. Miniature Decorations, Badges of Orders, and Medals are to be arranged on a bar in the same manner and order as the full sized. Knights Grand Cross, Knights Grand Commanders, Knights Commanders and Commanders will wear thereon, senior to all other Decorations, &c., except the Victoria Cross, the miniature Badge of the Order, or Orders, to which they belong, omitting the Buckle in the case of the Orders of the Bath and of St. Michael and St. George.

The precedence of the various Orders of Knighthood concerned is as shewn in clause 10 for the Companions and Members of those Orders.

19. If necessary the bar should extend over the lapel of the coat.

Decorations, &c., may be worn with plain dress.

20. Stars of the Orders and miniature Decorations, Badges of Orders, and Medals are authorised to be worn in evening dress (plain clothes) in the presence of members of the Royal Family or Viceroys, and of Governors-General, and on public and official occasions.

21. Only one set of miniatures need be maintained. The miniatures of companionship or membership will not be removed when the riband or badge of a higher order is worn by Knights Grand Cross, Knights Grand Commanders, Knights Commanders, &c.

Retired Officers.

22. Retired officers are authorised to wear Stars and Badges of Orders, and miniature Decorations and Medals in evening dress on all public and official occasions.

REGULATIONS FOR BADGES OF RATING AND DISTINCTION.

Chief Petty Officers will not wear badges of rating. The rating is denoted by their wearing distinctive gilt buttons.

Distinctive badges denoting special qualifications or duties are to be worn by them on each side of the collar of the long jacket.

They will not wear good conduct badges.

Engine Room Artificers will not wear any badge.

Petty Officers and Men are to wear the badges denoting rating and good conduct, and special qualifications to which they are entitled, as hereinafter described.

Badges denoting rating are to be worn on the left arm, and those indicating special qualifications or duties on the right arm, in the position described in sketch.

Although Officers' Stewards and Cooks, 1st class, of over five years' service as such, are allowed to wear the Cap Badge authorised for ratings wearing Class I. uniforms, they are to wear their distinguishing badges on the right arm, as laid down for Petty Officers and Men, and not on the collar.

The Crown, as the emblem of authority, is combined with all Petty Officers' and Instructors' badges—as well as the Police badges.

All Petty Officers, Seamen, and Marines who are temporarily employed on police or patrol duties, are to wear the police badge on the left cuff whilst actually on duty.

Badges of Rating.

The following are the badges of rating :—

(a) Petty Officers—Crossed anchors surmounted by a crown.

(b) Leading Seamen and other leading ratings— an anchor.

Digitized by Google

Good Conduct Badges.

Good conduct badges are to worn on the left arm, the line joining the upper points of the first badge to be 5 inches from the point of the shoulder. (*See* Sketch.)

The badges are to be hemmed on to a foundation—the gold and red on a cloth foundation, blue on a drill foundation—yellow thread being used for gold badges, red thread for red badges, and blue thread for blue badges.

The edges of the foundation are to be quite plain and are to be ¼ an inch from the badge.

When more than one good conduct badge is worn, the distance between them is to be ¼ of an inch—measured perpendicularly.

Good Shooting Badges.

Good shooting badges are to be worn by all marksmen 1½ inches above the point of the right cuff of No 1 serge jumpers or from end of sleeve of jumpers without cuffs.

Material for Badges.

All badges worn on cloth and best serge dresses are to be embroidered in gold, those on other serge dresses in red worsted, and those on white in blue cotton.

Distinguishing Badges.—General Remarks.

A star above the badge in every case indicates a man of superior qualifications, and another star below denotes that the man has passed for and is performing certain special duties.

So as not to necessitate all badges being changed when a special qualification is altered, stars are supplied independent of badges, and capable of being sewn on or removed as necessary. Spare crowns are also supplied separately, so that in case of a man being given an Instruction Rating etc., the badge already in his possession can easily be altered.

The single gun, torpedo, or rifle, when worn, is always to point away from the body.

The following is a descriptive list of badges indicative of special qualifications or duties, viz. —

* Gunner's Mate and Gunlayer, 1st Class.—Crossed guns with star and crown above, and star below.
* Gunner's Mate.—Crossed guns with star and crown above.
* Gunlayer, 1st Class.—Crossed guns with star above, and star below.
* Gunlayer 2nd Class.—Crossed guns with star above.
* Gunlayer, 3rd Class. Crossed guns.

3. All Naval Cadets entered under these regulations are trained together until they pass for the rank of Lieutenant

After passing for the rank of Lieutenant, they may be required to serve either as general service Officers or in one of the special branches, undertaking either Engineering, Gunnery, Torpedo, Navigation, or Marine duty.

As far as possible Officers selected for special service will be allowed to choose the branch in which they will qualify, subject to the proviso that all branches are satisfactorily filled.

Parents or guardians of Candidates for appointment as Naval Cadets must undertake for them that they are prepared to serve in any branch if required.

4. Parents or guardians are required to declare in writing their intention that the Candidate, if he obtains a Cadetship, shall adopt the Navy as his profession in life; and it is subject to this undertaking that Candidates are selected for Cadetships. Every Cadet who enters the Royal Naval College must therefore be prepared to continue his training so long as the Admiralty are satisfied with his progress, and parents are not at liberty to withdraw their sons at will.

On the entry of a Cadet, parents or guardians will be required to undertake that, in the event of his withdrawing or being withdrawn from the College, or from the Navy before being confirmed as a Sub-Lieutenant, they will pay to the Admiralty, if demanded, the sum of £25 per term in respect of each term passed by him at the R.N. Colleges, Osborne and Dartmouth, from the date of his entry to the date of his withdrawal, as a contribution towards balance of the cost of his training and maintenance not covered by the annual payment of £[illegible] mentioned in para. 15.

This undertaking does not apply to Cadets who drawn at the request of the Admiralty.

5. Entries take place three times a year January, May, and September

Candidates for entry in January must be more than 13 years and 4 months but not more than 13 years and 8 months of age on the preceding - - 1st January.
Do. do. May do. - 1st April.
Do. do. September do. - 1st August.

The qualifying Examinations are held in December, March and July, and the appointments of successful candidates date from the 15th January, 15th May and 15th September following, respectively, *e.g.*

Candidates born on or between—	Eligible for Examination in—	Entered
1st April (1905) and 31st July (1905 - -	Dec. (1918)	Jan. 19
1st Aug. (1905) and 30th Nov (1905) - -	Mar. (1919)	May 19
1st Dec. (1905 and 31st Mar. (1906) - -	July (1919)	Sept. 19

6. All Candidates (except those being educated in the Colonies, who have received special Consular recommendations under para. 10), will be required to present themselves before a Committee, who will interview each applicant separately.

The applications must be received at the Admiralty:—

For the January entry before 1st October.
Do. May do. do. 1st March.
Do. September do. do. 1st July.

Appointments to Naval Cadetships are made by the First Lord from among Candidates recommended by the Committee, and all such appointments are subject to the Candidate passing a Medical Examination (*vide* par. 8) and a Qualifying Examination in educational subjects (*vide* para. 9).

The fact, however, of a Candidate being required to appear before this Committee is not to be considered as in any degree implying that he will necessarily be chosen to attend the qualifying examination.

The Interview Committee will sit shortly before the date fixed for each Qualifying Examination.

* Candidates are eligible only for one Interview and Qualifying Examination.

* Should any case occur where a selected Candidate is prevented by illness from attending the Qualifying Examination, the Admiralty will consider whether special arrangements can be made for him to be examined by the Head Master of the Royal Naval College, Osborne, at the beginning of the ensuing term.

The list of successful Candidates will be published in alphabetical order. A certain number of successful Candidates who are highly recommended by the Interview Committee and who also show excellence in the Examination will receive "Honourable Mention," and will be distinguished by an asterisk in the list of successful candidates.

9. The Governments of certain Dominions and Colonies are allowed to recommend specially (through the Secretary of State for the Colonies) a certain number of Candidates annually from among boys belonging to families resident in the Dominions and Colonies.

Unless such Candidates, however, actually reside and receive their education in their own Dominion or Colony, they must be also recommended by the Interview Committee, and must pass the Qualifying Examination and the Medical Examination.

10. Successful Candidates who are the sons of Officers of the Royal Navy, Royal Marines or Army, who have been killed in action, or have died of wounds received in action, whether afloat or ashore, or have died through the destruction of their ship or have been drowned or have suffered other violent death due directly and wholly to War service, or have died of disease attributable to active service, may be appointed as King's Cadets.

King's Cadets will be entitled to the following privileges in cases where the Admiralty are of opinion that substantial help is needed towards the expenses of their Naval training:—

(1) The grant of an outfit allowance of £40 on first entry.

(2) The remission of fees at Osborne and Dartmouth.

(3) The remission of private allowance and tuition allowance during his period of service until he has completed his examinations for the rank of Lieutenant.

In cases where the above conditions are fulfilled by Cadets, Midshipmen, or Acting Sub-Lieutenants already in the Service, the Admiralty may, at their discretion, authorise the remission of all future payments in respect of training fees, private allowance, and tuition allowance.

King's Cadets will be eligible for Compassionate Allowances as prescribed by the Regulations, but will not receive the Educational Allowance authorised by the Order in Council of the 29th February, 1916.

11. Naval Cadets will undergo a course of instruction in the Training Establishments for a period of rather less than four years. This period will include eleven terms, of which five terms will be at Osborne and the remainder at Dartmouth. On passing out of the College at Dartmouth they will continue their training for a period on board a Special Training Cruiser and will then be sent to the sea-going Fleet as Midshipmen.

12. The following are the approximate dates for the beginning and the end of the three terms at the Colleges:—

At Osborne.

16th January to 8th April,
8th May to 30th July,
19th September to 17th December.

At Dartmouth.

16th January to 15th April,
8th May to 6th August,
19th September to 17th December.

The vacations at the Colleges are as follows:—

At Osborne.

Four weeks at Christmas,
Four weeks at Easter,
Seven weeks at Midsummer.

At Dartmouth.

Four weeks at Christmas,
Three weeks at Easter,
Six weeks at Midsummer.

13. The friends of the Cadets must be prepared to receive them during all the Vacations.

14. All Naval Cadets shall be subject to the Regulations for the time being in force respecting Cadets while at the Royal Naval Colleges at Osborne and Dartmouth and on board the Training Cruisers.

15. For all Cadets entering under these regulations payment will be at the rate of £75 per annum for the period under training at the Colleges, to be paid in sums of £25 every term in advance to the Cashier of the Bank of England on receipt of claim from the Accountant-General of the Navy. But the Lords Commissioners of the Admiralty reserve the power of selecting from among the Cadets entered on each occasion subsequent to November, 1913, a number not exceeding 25 per cent. of the entries, with respect to whom the annual payment will be £40 only (to be paid in sums of £13 6s. 8d. every term in advance). A proportion of those admitted at the reduced scale will be sons of Officers of the Navy, Army, or Marines, or of Civil Officers under the Board of Admiralty, the reduced scale being reserved for such boys up to a maximum of 10 per cent. of the total entries on each occasion. The reduced scale will be allowed only in cases where the pecuniary circumstances of the parents are, in the opinion of the Lords Commissioners of the Admiralty, such as to justify it. *Forms* of application for admission at the reduced scale will be issued in respect of all candidates who are selected* after interview to attend the Qualifying Examination, and when duly filled in should be returned as soon as possible *by such parents as desire to make application for the reduced scale.*

* *Parents abroad will, however, be furnished with forms of application, prior to this selection if they so desire.*

Claims will be made upon the Parents or Guardians by the Accountant-General of the Navy for the sums payable as they become due, and the money should be at once remitted.

16. In addition to the above payments, all expenses incurred by a Cadet for clothing, sports, books, instruments, washing, &c., as well as the allowance of 1s. a week paid as pocket-money, are included in the personal account sent to the Parent from the College as soon as possible after the end of each term.

17. No pay is allowed by Government to the Cadets in the Colleges, except in the case of Cadet Captains, who receive a small weekly allowance.

The pay of Cadets in the Training Cruisers is 1s. a day, and that of Midshipmen is 1s. 9d. a day.

18. The fees specified in paragraph 15 will cease on the Cadet joining the Training Cruiser. Parents or Guardians will then be required to make the Cadet a private allowance of £50 a year until he reaches the rank of Acting Sub-Lieutenant, and thereafter a private allowance of £70 a year for so long as he remains an Acting Sub-Lieutenant with pay at the rate of 3s. 6d. a day.

19. The parent or guardian of every Cadet is required to provide outfit under the regulations in force.

20. All travelling expenses for Cadets are paid by the Paymaster of the College, who will charge the sum to the Cadet's personal account.

21. Inasmuch as the Cadets have a weekly allowance paid to them as pocket-money, and a charge made to pay the expenses attending their entertainment, it is unnecessary that their friends should give them any money except on joining, or on their return from the Vacations, and the amount given should then be reasonable. Such money as may be required by a Cadet for any special circumstances will be advanced by the Paymaster under the authority of the Captain.

22. Any valuable Gold Watches or Chains brought by Cadets to the Colleges will be taken from them and placed in security until the Cadets return home. Silver Watches may be used.

23. Arrangements are made for the conveyance from Portsmouth to Osborne of the Cadets who are joining the College for the first time. Such Cadets should assemble at the Dockyard Gates (Portsmouth Harbour Station) shortly before 3 p.m. on the day appointed for joining. Cadets returning to the College will be expected to make their own arrangements for doing so.

24. Cadets are to bring their Uniform Clothes and Boots in good order, when they join the College, and also when they return from leave, with the outfit, as specified on the next page, complete. A list of the clothes left behind will be sent with the Cadets when they go on leave.

25. Cadets are not permitted to open accounts with Tradesmen. Parents and Guardians are requested not to allow their sons' outfitters to supply clothes or other articles without their authorisation.

Each Cadet on joining and on returning after vacations is required to produce a health certificate signed by his parent or Guardian, *not earlier than the day before the Cadet's return* to the effect that, so far as is known, he has not for at least three weeks immediately preceding his return been exposed to any infectious disease, or entered any house where disease has existed. A certificate drawn up in necessary Form, is sent to each Parent, and it is on the part of the Cadet to produce this certificate, duly filled up and signed, on his return or to call his *not being received*.

In the event of a Cadet being placed on the Sick List, information is always sent to his Parents or Guardians who are also kept informed of the progress of the patient should the illness be in the slightest degree serious.

Letters relative to the Cadets should be addressed to:—"*The Commanding Officer*, Royal Naval College," or "*The Commanding Officer*, H.M.S. ———," and not to the Captain by name.

Parents or Guardians of Cadets must, in all cases of permanent change of residence, inform the Secretary and the Commanding Officer of the College or the Cruiser without delay).

The course of study includes the following subjects:—

Mathematics, with Geometrical Drawing.

Physics and Chemistry.

Mechanics, and applied Mechanics with laboratory work.

Applied Electricity, with laboratory work.

Engineering, with workshop practice and Mechanical Drawing.

Seamanship, with Gunnery in the Training Cruiser.

Navigation.

French or German.

English Grammar and Composition.

English Literature.

History, including Naval History.

Geography.

Bible Study.

Drill and Physical Training.

A large proportion of the time of the Cadets is given to the practical study of Engineering in the Workshops and Instructional Steamboats attached to the Colleges, and also in the Training Cruisers.

30. In all subjects of instruction, the principle will be followed of giving merit marks for current work. At the end of each term the Cadet's proficiency and progress will be tested partly by examination and partly by the marks gained for current work.

31. The passing-out examination of Cadets is representative of all subjects studied at the College, with the exception of Religious Knowledge, which does not form part of the official examination. Marks for work done during previous terms are combined with the marks directly awarded in the examination.

First, Second and Third Classes will be awarded, and the class obtained in passing out from the College counts afterwards towards promotion to the rank of Sub-Lieutenant, promotion being accelerated according to the following scale:—

For a First Class	·	2 months.
For a Second Class	·	1 month.

Time will also be awarded for the course in the Training Cruiser which will similarly count towards promotion to Sub-Lieutenant:—

For a First Class	·	1 month.
For a Second Class	·	½ month.

The greatest amount of time that can be gained on passing out as Midshipman is accordingly three months.

31. Cadets may be required to withdraw at any time if in the opinion of the Lords Commissioners of the Admiralty:—

(1) They fail to reach a satisfactory standard, or

(2) Their conduct is unsatisfactory, or

(3) They are unsuitable for the Naval Service.

32. It is to be distinctly understood that the period of training, including the time spent in the Training Cruiser, is a time of probation, and the parent or guardian of a Cadet is required to withdraw him immediately on the receipt of an official request for his withdrawal.

33. When a Cadet is found to be making insufficient progress a letter is sent to his Parent or Guardian warning him of the possibility of having to withdraw the Cadet unless a marked improvement takes place. This warning is generally issued a term in advance, to enable the Parent provisionally to make other arrangements for continuing the boy's education in case his withdrawal should become necessary.

By Command of their Lordships,

W. GRAHAM GREENE.

Admiralty, November, 1913.

SPECIAL ENTRY OF NAVAL CADETS.

REGULATIONS FOR THE SPECIAL ENTRY OF NAVAL CADETS, WHICH WILL REMAIN IN FORCE AFTER THE YEAR 1916, UNTIL FURTHER NOTICE.

1. The number of Naval Cadetships offered for competition under the following regulations will be notified in the Press from time to time.

2. At the examination in February, 1919, Candidates for admission must be not more than 18½ nor less than 17½ years of age on the 1st of December, 1918. No nomination is required. Applications should be made to the Secretary of the Admiralty, Whitehall, S.W. 1, not later than the 1st December, 1918. A form of application to be filled in by the Parent or Guardian of the Candidate may be obtained from the Admiralty.

3. Candidates must be of pure European descent and the sons either of natural-born or naturalised British subjects. In doubtful cases the burden of clear proof will rest upon the Candidate.

Candidates must be unmarried.

4. Applicants who satisfy these conditions will be invited to appear before a Committee at the Admiralty. This Committee will interview each Candidate and examine credentials furnished by the headmaster of the school he is attending or last attended. A report will be obtained beforehand from the headmaster for the information of the Committee as to the Candidate's conduct, abilities, past training and general promise of suitability. On the report of this Committee it will be determined whether the Candidate shall be admitted to compete. Candidates will be required to pass at the same time a Medical Examination, according to the prescribed regulations, as to their physical fitness for the Navy.

Candidates from the Dominions and Colonies may be interviewed and medically examined by the Naval Authorities on the Station, the application being made through the Dominion or Colonial Government concerned.

Such candidates, if selected and found physically fit, will be required to attend the competitive examination in this country, *vide* paragraph 6.

5. Every Candidate must be in good health and free from any physical defect of body, impediment of speech, defect of sight or hearing, and also from any predisposition to constitutional or hereditary disease or weakness of any kind, and be in all respects well developed and active in proportion to his age.

Details of the Physical requirements of Candidates are contained in Appendix I.

6. Candidates admitted to compete will present themselves for examination in February by the Civil Service Commissioners. The subjects of examination and a syllabus of the subjects are shown in Appendix III. Any further particulars of the examination can be obtained from the Secretary, Civil Service Commission, Burlington Gardens, W.1.

7. A list of successful candidates in order of merit will be published by the Civil Service Commission.

8. Successful candidates who are the sons of Officers of the Royal Navy, Royal Marines or Army, who have been killed in action, or have died of wounds received in action, whether afloat or ashore, or have died through the destruction of their ship, or have been drowned or have suffered other violent death due directly and wholly to war service, or have died of disease attributable to active service, may be appointed as King's Cadets.

King's Cadets will be entitled to the following privileges in cases where the Admiralty are of opinion that substantial help is needed towards the expenses of Naval training:—

(1) The grant of an outfit allowance of £60 on first entry.

(2) The remission of private allowance.

In cases where the above conditions are fulfilled by Cadets, Midshipmen, or Acting Sub-Lieutenants already in the Service, the Admiralty may, at their discretion, authorise the remission of all future payments in respect of private allowance.

King's Cadets will be eligible for Compassionate Allowances as prescribed by the Regulations, but will not receive the Education Allowance authorised by the Order in Council of the 29th February, 1912.

9. Under present arrangements successful candidates will be appointed as Cadets to the Royal Naval College, Keyham, to take a course in Navigation and Seamanship lasting from 4 to 6 months. On completing this course and passing out satisfactorily they will join the Fleet as Midshipmen.

Naval Cadets under training will be subject to the Regulations for the time being in force respecting such Cadets.

10. These Cadets will become Midshipmen later in age than those who enter through Osborne, but their dates of promotion will be adjusted so that, except for the effect of the accelerated promotion which they may obtain by doing well in their final examination, their age on attaining the rank of Lieutenant will be about a year more than in the case of an Officer entered through Osborne.

11. This difference of age will be no bar whatever to advancement to the higher ranks, and may quite disappear on promotion to Commander or Captain, promotion to these ranks being made by selection on merit.

As regards being selected for promotion, an Officer who has entered as a Special Entry Cadet will be treated on his merits in exactly the same way as an Officer who has entered through Osborne.

12. The same subsequent career will be open to Officers who have entered the Navy by the Special Entry method as to Officers who have entered through Osborne. After reaching commissioned rank they may volunteer for service in any one of the special branches, *i.e.*, either the Navigating, Gunnery, Torpedo, Engineering, Submarine, or Signal branch.

13. Parents or Guardians are required to make a private allowance at the rate of £50 per annum to Cadets while at Keyham College for a period of six or 6 months under present arrangements. The private allowance at the rate of £50 a year while a Midshipman, and at the rate of £20 a year while an Acting Sub-Lieutenant, has, for the period of the war been abolished.

14. Cadets will be paid 1*s.* a day from the time of entry until they become Midshipmen, when their pay will, for the period of the war, become 2*s.* a day. On reaching the rank of Sub-Lieutenant an Officer will be paid 7*s.* 6*d.* a day. The commencing pay of a Lieutenant, which rank is reached after at the most two years as Sub-Lieutenant, is 12*s.* a day.

NOTE.—*Candidates who have served with His Majesty's Naval or Military Forces during the war will be allowed a deduction from actual age in respect of such service. To secure this concession candidates must furnish an official certificate as to the period of their service.*

15. The Parent or Guardian of every Cadet is required to provide an outfit under the Regulations in force. A list of the outfit required under present Regulations is contained in Appendix II. The outfit, including a sextant, costs about £15. Additional uniform required when leaving Keyham for sea is estimated to cost about £10.

16. All travelling expenses for Cadets will be advanced by the Paymaster, but will be charged to the Cadet.

Such money as may be required by Cadets for any special circumstance will be advanced by the Paymaster under the authority of the Commanding Officer.

17. Parents or Guardians of a Cadet must, in all cases of a permanent change of residence, inform the Admiralty and the Commanding Officer of the Royal Naval College, Keyham.

18. A Cadet may be required to be withdrawn at any time if in the opinion of the Lords Commissioners of the Admiralty:—

(1) he fails to reach a satisfactory standard, or
(2) his conduct is unsatisfactory, or
(3) he is considered unsuitable for the Naval Service.

By command of Their Lordships,

O. MURRAY.

ADMIRALTY,

Certificate A obtained in the "Officers' Training Corps" will entitle the holder to an addition of 400 marks.

The question papers (except in elementary engineering) will be the same as those taken in corresponding subjects in the military entrance examinations, particulars of which can be obtained from the Civil Service Commissioners, Burlington Gardens, W.

The paper on elementary engineering will comprise questions in the subjects of the following syllabus. The questions will be of a very elementary character, and knowledge of workshop practice will not be required.

PHYSICAL REQUIREMENTS FOR CANDIDATES FOR COMMISSIONS IN THE ROYAL NAVY.

With a view to preventing Candidates who may be physically unfit for His Majesty's Service from incurring the inconvenience and expense of preparing for commissions in the Royal Navy, it is suggested that they undergo examination by the medical adviser of the family, or any other qualified medical practitioner, to whom the following list of defects which cause rejection may be submitted for guidance.

It is to be understood that this private examination is merely suggested as a guide for intending Candidates and to lessen the chances of disappointment, and that it is by no means intended to take the place of, or to influence in any way, the regular Official Physical examination.

1. A weak constitution, imperfect development, physical weakness, either hereditary or from chronic disease, wounds, or injuries.

2. Skin disease, unless temporary or trivial.

3. Malformation of the head, deformity from fracture or depression of the bones of the skull, impaired intellect, epilepsy, paralysis, or impediment of speech.

4. Blindness or defective vision, squint, imperfect perception of colours, fistula lachrymalis, or any chronic disease of the eyes or eyelids. Candidates for Naval Cadetships at the Royal Naval College, Osborne, must possess full normal vision, viz.- 6/6, and be able to read D=0.6, as determined by Snellen's test types, each eye being separately examined. A high degree of Hypermetropia will disqualify. For Candidates for any other branches of the Royal Navy, full normal vision is not required, but any defect of vision must be due to errors of refraction which can be corrected to normal by glasses, and vision without glasses must in any case be not less than 6/60 with each eye, and the candidate must be able to read D=0.6 of Snellen's test types. Candidates for Special Entry Cadetships must possess full normal vision in one eye, viz.: 6/6; and not less than 6/12, without glasses, in the other: the defect must be due to refractive errors, otherwise the Regulations are the same as for the Royal Naval College, Osborne. This lower standard will only be accepted on the clear understanding that these Officers will undergo a further test of eyesight on the completion of their Sub-Lieutenant's examination at the Schools, and a further examination, if considered necessary, on attaining the age of 25. Officers will be regarded as unfit for the Service if the standard at either of these later tests falls below 6/9 in one eye, and 6/12 in the other, except that Officers may be allowed to remain in the Service for Engine Room duties only, if they elect to specialise, so long as their eyesight is not below 6/9 in one eye, and 6/12 in the other.

5. Impaired hearing or discharge from one or both ears or any disease of the external, middle, or internal ear.

6. Disease of the bones of the nose, or of its cartilages, nasal polypus, or disease of the naso-pharynx.

7. Disease of the throat, tongue, palate, or tonsils, many unsound teeth,† unhealthy gums, disease of the glands of the throat or neck, external cicatrices, if at all extensive, and especially if adherent.

8. Functional or organic disease of the heart or blood vessels, deformity or contraction of the chest, or any symptom of lung disease or tendency thereto.

9. Undue swelling or distension of the abdomen, obesity, disease or enlargement of the abdominal organs. Rupture, weakness or distension of the abdominal rings; any disease of the bladder or incontinence of urine.

10. The existence of any serious defect of the genital organs, or of varicocele when it clearly forms or is likely to form, a serious impediment to the efficient performance of duty, e.g., when it is associated with varicose veins or piles.

11. Paralysis, weakness, impaired motion or deformity of the upper or lower extremities, from whatever cause; a varicose state of the veins, especially of the leg. Bunions, distortion or malformation of the hands, feet, fingers, or toes.

12. Distortion of the spine, of the bones of the chest, or pelvis, from injury or constitutional defect.

No person will be admitted into His Majesty's Service unless he has been vaccinated. Re-vaccination will also be required if considered necessary.

† *i.e.*—Seven teeth defective or deficient in persons under 17 years of age on the date of entry, ten defective or deficient teeth in persons above the age of 17—a tooth being considered as defective when it cannot be made permanently serviceable by dental repair. Credit is also given for teeth which have not erupted. Candidates must, however, possess some sound opposing molars and incisors. The numbers given above are intended as a general guide, and are not necessarily strictly adhered to, provided the general condition of the teeth is good.

* Candidates who wish to offer a modern language other than French or German must obtain the written consent of the Admiralty at the time of their selection by the Interview Committee.

11. *Corps Nomination.* One appointment in the Royal Marines will be given annually to the son of a combatant Officer of the Royal Marine Forces recommended to His Majesty by the Lords Commissioners of the Admiralty.

In the selection for this appointment preference will be given—

14. *Date of Commissions.*—Commissions as Lieutenant Royal Marines will be granted to Officers after passing the final military examination. They will be posted to the Royal Marine Artillery or Royal Marine Light Infantry according to the requirements of the Service, but will be on one general list for seniority and promotion in the Corps.

15. The final order of seniority of Officers will be determined by the results of all their professional (naval and military) examinations during the probationary period of their service.

---

*By arrangement between the Admiralty and the War Office a Candidate who is admitted to compete in the examination for a Supplementary First Appointment in the Royal Marines may, if he so desires, and provided he fulfils all the necessary conditions, present himself at the same time for admission to the Royal Military Academy, Woolwich, or Royal Military College, Sandhurst, or for special entry as a Naval Cadet, in which case he must express definitely his order of preference before the examination has begun. For particulars of the conditions of entry to the Royal Military Academy and the Royal Military College, application should be made to the Secretary, Civil Service Commission.

†Following the Army Regulations, a Candidate may say that if he is not among the first (so many) successful competitors for the Royal Military Academy or the Royal Military College (as the case may be) he will elect for a Supplementary First Appointment in the Royal Marines.

REGULATIONS FOR TEMPORARY APPOINTMENT OF INSTRUCTOR LIEUTENANTS FOR SERVICE IN H.M. FLEET.

Admiralty, May, 1915.

In view of special conditions which have arisen in consequence of the war, the Admiralty have decided to enter a number of Instructor Lieutenants for temporary service.

In general it is anticipated that such service will not extend beyond four years; but it is probable that some of the officers who enter for temporary service may have the opportunity, should they desire it, of remaining on a permanent footing.

The chief duty of the Instructor Lieutenant is the instruction of the pupils placed under him, but when afloat, in addition to his instructional duties, he may be detailed by the Commanding Officer for any of the undermentioned duties, or any other suitable duty of a similar nature as may be considered best in the interest of the Service:—

(1) Assistant to the Navigating Officer, at Action Stations.
(2) Work in the Fire Control Department.
(3) Care of confidential books.
(4) Coding duties.

Candidates must have had an academical training and be proficient in mathematics. A knowledge of mechanical or physical science is desirable.

Those who are selected will be appointed to the Royal Naval College, Greenwich, for a course of instruction in Navigation and Nautical Astronomy lasting not more than six months. During the probationary period they will rank as Acting Temporary Instructor Lieutenants, and will be entitled to wear uniform. On qualifying in the subjects of the course they will receive Commissions as Temporary Instructor Lieutenants, the Commissions being dated back to the date of entry. Any officers who fail to qualify within 6 months will be discharged.

The pay from the date of entry will be at the rate of 12*s.* a day.*

In addition to this, each Instructor Lieutenant entered for temporary service will be entitled, when qualified and appointed to a ship, to receive a "tuition" allowance at the rate of £5 per annum for each Junior Officer under his instruction.

He will also receive a messing allowance of 2*s.* a day for the period of the war.

On discharge (except for misconduct or incompetence) he will receive a gratuity as follows:—

After two years' service on full-pay as a Temporary Instructor Lieutenant	£[illegible]
After 3	[illegible]
.. 4	[illegible]

Time as Acting Temporary Instructor Lieutenant, while undergoing the preliminary course of instruction, will not count for this purpose.

REGULATIONS FOR ENTRY OF CANDIDATES FOR COMMISSIONS IN THE MEDICAL DEPARTMENT OF THE ROYAL NAVY.

Admiralty, May, 1914.

1. Every Candidate for admission into the Medical Department of the Royal Navy must be entered at 21 nor over 28 years of age on the day of the commencement of the competitive examination. He must produce an extract from the Register of the date of his birth; or, in default, a declaration made before a Magistrate, from one of his parents or some near relative, stating the date of birth.

*During prolonged sickness or extra leave that of 6*s.* a day will be allowed

Digitized by Google

2. He must declare:

1. His age and date and place of birth.

2. That he is of pure European descent and the son of natural born British subjects.

3. That he labours under no mental or constitutional disease or weakness, nor any other imperfection or disability which may interfere with the proper discharge of the duties of a Medical Officer in any climate.

4. That he is ready to engage for general service at home or abroad, as required.

5. Whether he holds, or has held, any commission or appointment in the public services.

6. That he is registered under the Medical Act, giving the date of his registration as a medical student, or of his beginning professional study.

7. Whether he has previously been examined for entry in the Naval service, and if so, when.

3. The certificate of registration and birth must accompany the declaration, which is to be filled up and returned as soon as possible, addressed to the Director General, Medical Department, Admiralty, S.W., to permit of reference to the Candidate's Medical School.

4. The Dean or other responsible authority of such school will be requested by the Medical Director-General to render a confidential report as to the Candidate's character, conduct, professional ability and fitness to hold a commission in the Royal Navy.

5. The Candidate will then be interviewed by the Medical Director-General, and his physical fitness will be determined by a Board of Naval Medical Officers. The Medical Director-General will then decide whether he may be allowed to compete.

6. If accepted, he will be eligible to present himself at the entrance examination which will be held twice a year. (See heading Examinations, section 16.)

7. The appointments announced for competition will be filled from the list of qualified Candidates, arranged in order of merit; but, should it at any time be considered expedient to grant Commissions beyond those periodically competed for, the Admiralty have power to admit annually not more than six Candidates according to requirements, specially recommended by the governing bodies of such Colonial Universities as may be selected and whose qualifications are recognised by the General Medical Council.

Candidates so proposed are to be approved by the Director General of the Medical Department of the Navy.

They will have to pass a physical examination before a Board of Naval Medical Officers in their Colony, and will be required to register their qualifications on arrival in England. They will be allowed, if they wish it, to compete at the next examination for entrance, and take their position according to the order of merit. Should they decide not to compete they will be placed at the bottom of the list. It will, however, be in any case necessary for them to pass a qualifying test at the time of the usual half-yearly examinations, when they will be required to obtain a minimum of 20 per cent. of the total marks allowed in each subject. In case of failure in this test examination the Admiralty will not undertake to defray the cost of the return journey to the Candidate's Colony, or other expenses thereby incurred.

8. A fee of £1 will have to be paid by each candidate to enable him to take part in the competition.

9. Candidates who have served in the Officers' Training Corps, and who are in possession of the Certificates laid down in the regulations for that Corps will be credited at the entrance examination with additional marks as follows:—Candidates in possession of Certificate A will receive 1 per cent. and those who possess Certificates A and B, 2 per cent. of the maximum number of marks allotted.

10. A Candidate will not be allowed to compete at more than two examinations.

11. A Candidate successful at the entrance examination will be appointed as Acting Surgeon Lieutenant in the Royal Navy and will be required to pass through such courses of instruction as the Admiralty may decide. (See under the heading Examinations.) At the end of the courses the Acting Surgeon Lieutenant will be examined, and, after he has passed, will be given a commission as Surgeon Lieutenant in the Royal Navy. The commission will date from the day of passing the entrance examination. An Acting Surgeon Lieutenant who fails to qualify at the above examination, that is to say, who fails to obtain at least 70 per cent. of the marks in each subject at the examination at the end of the Greenwich and Haslar Courses, will, if he so elects, be allowed a second trial at the next examination, and, should he qualify, he will be placed at the bottom of his original list; but, should he again fail, his appointment will not be confirmed, and he will be required to withdraw. During the period intervening between the two examinations he will be allowed no pay from Naval Funds, and the period will not be counted as service for either promotion, withdrawal with gratuity, or retirement after 20 years' service.

12. A gold medal, a silver medal and three Navy Regulation pocket cases will be awarded as prizes in connection with these examinations; and the Gold Medallist will have a distinguishing mark after his name in the Navy List, provided he obtains at least 75 per cent. of the aggregate maximum marks in the London and Haslar examinations combined.

13. A Candidate who at the time of passing the examination for entry into the Medical Branch of the Royal Navy holds or is about to hold an appointment as Resident Medical or Surgical Officer in a recognised civil hospital, may be allowed to serve in such civil appointment provided that the period of such service after the date of entry into the Royal Navy does not exceed one year. Pay from Naval funds will be withheld from Officers while thus serving, but the time concerned will reckon for increase of full and half pay while on the active list, and retired pay or gratuity on retirement or withdrawal, except that no Officer will be allowed to retire on a gratuity until he has completed four years' service exclusive of the time spent as Resident Medical or Surgical Officer. The eligibility of this appointment to count for time will be decided by the Medical Director-General.

14. The seniority of surgeons on entry will be determined by the sum total of the marks they obtain at the London examination and the examinations at the conclusion of their probationary period as Acting Surgeon Lieutenant. Their names will then be placed in the Official Navy List. Candidates who hold or are about to hold a post as Resident Medical Officer or Surgical Officer to a recognised civil hospital will retain the position in the list which they obtained on entry, and when their period of service as Resident Officer is over, they will join the next "Acting Surgeon Lieutenants' Course," and will be required to obtain qualifying marks. Surgeon Lieutenants entered without competition will take seniority next after the last Surgeon Lieutenant entered at the same time by competition.*

15. Surgeon Lieutenants on entry are required to provide themselves with a regulation pocket case of instruments.

15a. Acting Surgeon Lieutenants under training may, if they wish, provide themselves with those articles of uniform only which are required for dresses No. 5 (Undress) and No. 7 (Mess Undress), omitting white trousers, sword and belt. On receiving commissions as Surgeon Lieutenants they must provide themselves with the complete outfit of uniform prescribed by the regulations.

Examination for Entry.

16. Candidates will be examined by the examining board in the following subjects:—

(a) Medicine, including medical pathology and therapeutics.

* If any doubt should arise on this question the burden of clear proof that he is qualified will rest upon the Candidate himself.

* See Clause 7 of the Regulations for Entry.

Digitized by Google

(*b*) Surgery, including surgical pathology and clinical surgery.

The examination will be partly written and partly practical, marks being allotted under the following scheme:—

Medicine.		Surgery.	
Paper	400	Paper	400
Clinical	400	Clinical	400
Oral	400	Oral	400
	1,200		1,200

No candidate shall be considered eligible who obtains less than 50 per cent. of marks in each subject. The examination will be held in London and will occupy four days.

The Regulations as to examination for and promotion to the higher ranks are included in the King's Regulations and Admiralty Instructions, while particulars as to pay, retirement, etc., are shewn in the Navy List under the Tables of Full and Half Pay, and under the Rules for Retirement.

Post-graduate Instruction and Examination for the Rank of Surgeon Lieutenant-Commander.

17. The Post-Graduate Instruction of Naval Medical Officers will consist of two distinct courses:—

(I) A five months' course prior to advancement to Surgeon Lieutenant-Commander;

(II) A second course of three months' duration for officers of not less than 14 years' seniority.

Course (I), which is compulsory for all Surgeon Lieutenants will be followed by an examination before the Medical Examining Board in London, the successful passing of which will be a qualification for promotion to the rank of Surgeon Lieutenant-Commander. The course is to be taken when a Surgeon Lieutenant has between 4½ and 6½ years' seniority, and as near the date when the latter period is completed as the exigencies of the service admit. The courses will take place twice a year.

The subjects of study and examination will be—

Compulsory:—

(*a*) Clinical Medicine and clinical Surgery.
(*b*) Operative Surgery.
(*c*) Anæsthetics (practical).
(*d*) Ophthalmology.
(*e*) Clinical pathology.
(*f*) Hygiene.

Optional:—

(*g*) Throat, Nose, and Ear Diseases.
(*h*) Skiagraphy.

A Surgeon Lieutenant who fails to obtain a pass will be allowed a second trial, but will not have a second course of instruction. Should he again be unsuccessful he will be compulsorily retired on attaining eight years' seniority, with such gratuity as the Admiralty may see fit to grant, but not exceeding £500.

Instruction in clinical pathology and hygiene will be given at the Naval Medical School; the remaining subjects will be studied at the "Dreadnought" Hospital and other civil hospitals in London, as may be arranged from time to time by the Medical Director-General of the Navy.

The Surgeon Lieutenants going through the course will be accommodated at the Royal Naval College, Greenwich, and will be under the general control of the President. Their instruction throughout will be under the immediate supervision of the Professor of Hygiene, appointed in charge of studies.

Course (II) is not compulsory, but is designed to afford senior officers the opportunity of refreshing their general knowledge of surgery and medicine, and of making themselves familiar with modern advances. There will not be any fixed syllabus of instruction or examination, but arrangements will be made in each case by the medical officer in charge of studies at Greenwich to meet individual requirements, and a report will be made by this officer to the Medical Director-General at the close of the course. The officers attending this second course will also be accommodated at Greenwich.

REGULATIONS FOR THE RESERVE OF MEDICAL OFFICERS.

(Established under Order in Council of the 11th August, 1903.)

The special attention of Candidates is directed to the following rules under which Officers are allowed to withdraw from the Service after 4 year's full pay service in the Royal Navy, with the advantage of joining the Reserve of Naval Medical Officers—*see below).*

After 4 years' service in the Royal Navy, an officer, if he wishes, may pass from Active Service to the Reserve of Naval Medical Officers, when he will receive the following advantages:—

(I) He will be granted a gratuity of £500 on passing into the Reserve.

(III) If he agree to remain in the Reserve for 8 years, he will receive a retaining fee of £75 per annum. If, at the expiration of this period, he agree to remain in the Reserve for a further period of 4 years, he will continue to receive the same retaining fee.

Any Officer who from residence abroad, physical disability, or for other reason, may be considered by the Admiralty to be not immediately available for Service if required, will be liable to removal from the Reserve and forfeiture of retainer.

Should an officer prefer it, however, he may elect to enter the Reserve for a period not exceeding 4 years with power to give six months' notice of his intention to resign his position at any time (in which case he will receive no retaining fees). He may also adopt this method of Reserve Service after the expiry of 4 years served under the conditions referred to in (III), by renouncing his retaining fee for his next 4 years' service in the Reserve.

No officer will be allowed to remain in the Reserve for a longer period than 8 years.

While belonging to the Reserve, Officers must report any change of address to the Secretary of the Admiralty.

Officers of the Reserve will be liable to serve in the Royal Navy in times of war or emergency. When called up for such service they will receive the rate of pay, viz., 17*s.* a day and allowances, to which they would have been entitled after 4 years' service on the Active List, and an outfit allowance of £25.

REGULATIONS RESPECTING THE ENTRY OF PAYMASTER CADETS.

1. Appointments to Paymaster Cadetships will be made by limited competition, with the following exception, viz.:—

One candidate will be nominated annually, who will be required to obtain such an aggregate of marks in Class I, as may satisfy the Civil Service Commissioners.

2. This candidate will be selected by the Board of Admiralty from sons of officers of the Navy or Royal Marines who have been killed in action or who have been lost at sea on active service, or killed on duty or who have died of wounds received in action or injuries received on duty within six months from the date of such action or injury, or who have performed long and meritorious service.

Except as regards exemption from the competitive examination, the candidate will be subject in all respects to these regulations.

All candidates, including the candidates for the service nomination referred to in para. 2, will be required to present themselves before a Committee, which will interview each candidate separately. The First Lord of the Admiralty will be guided by the recommendations of the Committee in his selection of candidates to whom nominations will be granted to compete at the examination for Paymaster Cadetships.

Candidates will be required to bring with them to the interview certificates of good conduct from the masters of any schools at which they may have been educated during the two previous years, or, if educated at home, from their tutor or the clergyman of the parish in which they reside.

Candidates may be eligible by age for two examinations (see para. 4) but will only be interviewed once. Those candidates who are not successful in obtaining a nomination will not be eligible to attend before the Committee again.

Applications to have the names of candidates placed on the list should be addressed to the Assistant Private Secretary to the First Lord of the Admiralty. Candidates for the June Examination must apply before the 31st March, and candidates for the December Examination before the 30th September. No applications received after those dates will be entertained. Application should not be made until the candidate has reached the age of sixteen.

3. Two examinations for Paymaster Cadetships will be held annually—in June and December—under the direction of the Civil Service Commissioners (address—Burlington Gardens, London, W.).

Candidates will be required to pay a fee of 1*l.* 10*s.* to the Civil Service Commissioners before the Educational Examination.

The Civil Service Commissioners will deal with all questions connected with such Examination, and will announce the results.

4. No candidate will be eligible for examination in June who is under 17 or over 18 years of age on the 15th July following, or for examination in December who is under 17 or over 18 years of age on the 15th January following. As proof of the candidate's eligibility in point of age, a Registrar's Certificate of Birth must be produced. A certificate of baptism alone will not be accepted.

Candidates will be allowed a deduction from age in respect of actual military service rendered in H. M. Forces during the war. An official certificate as to the period of service must be furnished.

5. The number of Paymaster Cadets to be entered at each examination will be regulated by the requirements of the Service.

6. A candidate must be of pure European descent and the son either—

(1) of natural born British subjects, *or*
(2) of parents naturalised in the United Kingdom.

If any doubt arises upon this question the burden of clear proof that he is qualified will rest upon the candidate himself.

7. Candidates who may be successful at the educational examination will be required to pass the medical examination, according to the prescribed

Digitized by Google

regulations, before the Medical Director-General of the Navy, and must be found physically fit for the Royal Navy.

They must be in good health and free from any physical defect of body, impediment of speech, defect of sight or hearing, and also from any predisposition to constitutional or hereditary disease, or weakness of any kind, and in all respects well developed and active in proportion to their age. The cases of short-sighted candidates, in other respects fit, will be specially considered.

A Medical Board of Appeal has been instituted to meet cases in which the parent or guardian of a candidate is not satisfied with the result of the Official Medical Examination. This Appeal Board will consist of the Director-General of the Medical Department of the Navy, a physician nominated by the Medical Consultative Board, and a specialist in the particular defect which caused the disqualification of the candidate, to be selected from a list drawn up by the Consultative Board.

In the event of the rejection on medical grounds of a candidate, the parent or guardian will at once be informed that, subject to the payment of a fee of four guineas, the candidate may present himself for re-examination by the Appeal Board, and that if an appeal is desired notification must be made by the parent or guardian to the Director General of the Medical Department, Admiralty within a week of the first Medical Examination. The notification must be accompanied by a cheque for four guineas made payable to the Accountant-General of the Navy.

With a view to preventing candidates who may be physically unfit for his Majesty's Service from incurring the inconvenience and expense of preparing for commissions in Royal Navy, it is suggested that they should undergo examination by the medical adviser of the family, or by any other qualified medical practitioner. A list of the defects which cause rejection appears on page 864.

It is to be understood that this private examination is merely suggested as a guide for intending candidates and to lessen the chances of disappointment, and that it is by no means intended to take the place of, or to influence in any way, the regular official Physical Examination.

8. Candidates if nominated will be required to forward to the Secretary of the Admiralty (C. W. Branch) a certificate of ability to swim.

9. Candidates will be examined in the following subjects in Class I., and must obtain such an aggregate of marks as will satisfy the Civil Service Commissioners. They will also be permitted to present themselves for examination in two other subjects under Class II.:—

Class I.	MARKS.

The Parents or Guardians of Paymaster Cadets are required to pay half-yearly in advance to the Accountant-General, to be held to their credit, £24 a year for each Paymaster Cadet from the date of entry into the service until he is rated Paymaster Midshipman. A Paymaster Cadet is rated Paymaster Midshipman after a year's service provided he obtains the certificate of competency required by the regulations.

(Payment of Private Allowance is suspended for the period of the war.)

It is further desirable that the parents or guardians of an Accountant Officer should be prepared to assist him pecuniarily to the extent of £100 on his promotion to the rank of Paymaster Sub-Lieutenant, at about 21 years of age, to enable him to obtain the uniform and other gear necessary for a Commissioned Officer.

‡ A Candidate who wishes to be examined in any modern language other than French or German under *Class* II (d) must obtain the written consent of the Admiralty at the time of his nomination.

§ In view of the suspension of examinations for Certificate "A" during the war, any candidate belonging to the Officers' Training Corps who can before the date of the examination, produce a certificate from the Officer commanding his contingent that he "has served for two years in the Officers' Training Corps and has attained a standard equal to Certificate 'A'" will be credited with the 50 marks allowed under Clause 9 of the Regulations for Certificate "A."

This evidence should be forwarded with the recommendation.

(c) Candidates recommended by Educational Authorities.

18. A limited number of Candidates will be entered in January each year from a list of boys recommended on account of their educational attainments and general suitability by certain Educational Authorities throughout the United Kingdom, provided they are found physically fit for entry into the Royal Navy. A list of the Authorities allowed to recommend Candidates may be obtained from the Secretary of the Admiralty, Whitehall, London, S.W. 1.

Candidates are expected to have educational attainments at least equal to those of boys who enter by open competition. They should have spent at least one year in a School providing education of a Secondary or Higher Grade Elementary type: but if in any case an Educational Authority is fully satisfied that the candidate, although he may not satisfy the above condition, has the necessary educational attainments as a result of attendance at an Evening Continuation School offering higher instruction, or otherwise, special application may be made to the Admiralty for this condition to be waived.

Recommendations must reach the Admiralty not later than 1st October each year, and no recommendation received after that date will be considered.

19. These Candidates will be required to undergo an examination which will be held locally on the third Tuesday in October each year. The examination papers will be set by the Admiralty, and will be the same for all Candidates, the arrangements for holding the examination being made by the Educational Authorities concerned.

CONDITIONS OF SERVICE UNDER TRAINING.

20. On entry, Boy Artificers will be provided with a free outfit, and will be placed on the books of the Mechanical Training Establishment at Portsmouth or Devonport, where they will be attached for training. During their training Boy Artificers will be berthed and victualled in these Establishments, and will be subject in all respects to Naval Discipline. Under certain conditions, and at the request of their parents or guardians living in the immediate neighbourhood, Boy Artificers will be allowed leave to stay at their homes on alternate Saturdays and Sundays.

To Boys proceeding on leave, return tickets, covering the period of leave, are issued at reduced fares by the railway authorities.

ALLOTMENT OF TRADES.

21. On completion of three months' training, Boy Artificers are allotted to one of the three following trades: (1) Fitter and Turner (2) Boilermaker and Plumber (combined); (3) Coppersmith and moulder (combined).

The number to be trained in each trade depends upon the requirements of H.M. Service.

EDUCATION AND TRAINING.

22. The duration of the Training will be about four and a half years. During this period the boys undergo a course of general and technical education, in addition to workshop training. Boy Artificers who fail to make satisfactory progress or are guilty of persistent bad conduct, may be discharged at any time.

Part I.

23. During the first two years they will receive instruction in Practical Mathematics, English, Elementary Science, Heat, &c., in which subjects they will be examined at the end of the second year. Those who qualify in this examination will then be permitted to take the second part of the course.

Part II.

At the end of their course of training an examination will be held as to their fitness as workmen, and in the subjects of the Second Part of the Course.

24. Boy Artificers who fail to pass in either Part I. or Part II. will be discharged as a rule, unless special circumstances should justify their retention, when they will be re-examined after a further period of training.

25. Those who qualify will be rated Engine-Room Artificers 5th Class, and sent to seagoing ships for a period of practical sea experience.

26. On completion of this training, they may be rated Acting Engine-Room Artificers 4th Class, if recommended by the Engineer Officer and approved by the Captain of their Ship, after which they will follow the lines of other Engine-Room Artificers of the Royal Navy, as laid down in the King's Regulations.

27. The following are the daily rates of pay allowed to Boy Artificers, each rate being for seven days a week:—

First year	6d.
Second year	8d.

On being rated:—

Engine-Room Artificer, 5th Class	4s. 3d.
Acting Engine Room Artificer 4th Class	5s. 11d.

The pay and prospects of Engine-room Artificers, 4th Class, entered under this system, will be the same as for Engine Room Artificers entered direct from the shore.

Further details respecting the entry and training of Boy Artificers in the Royal Navy are given in the special regulations, published separately, which may be obtained on application to the Secretary of the Admiralty, Whitehall, London, S.W. 1.

9. An examination will be held at the end of the fourteenth week, followed by 2 weeks' leave. Candidates whose work in this examination is unsatisfactory will be discharged, or will revert to their original rating. Those who reach a standard of special merit and are recommended as likely to prove schoolmasters of exceptional ability will be advanced to "Probationary Schoolmaster" forthwith from the date of examination and be given more advanced instruction.

10. The remainder will continue their previous work and take a final examination at the end of a further 8 weeks' instruction, followed by 2 weeks' leave.

Those who fail to qualify in this examination will be discharged, or will revert to their original rating, unless specially recommended for an additional period of 8 weeks' instruction, in which case the period of 12 months' probation will be extended by a like amount.

Those who reach the qualifying standard will be advanced to "Probationary Schoolmaster" from the date of examination, their order of seniority being that of the final result list.

11. The "preliminary course" will be held in H.M.S. "Defiance" as at present, or at some other suitable centre.

12. In the case of a man who reverts to his original rating the time served as Schoolmaster Candidate or Probationary Schoolmaster will count as time served in the rating held prior to appointment to the Schoolmaster Branch.

II.—PROBATIONARY SCHOOLMASTER (RELATIVE RANK OF ACTING WARRANT OFFICER).

1. As far as is practicable, Probationary Schoolmasters will be appointed to Home Service seagoing ships as "additional" to work under an experienced Schoolmaster.

2. They will be reported on by their Commanding Officers, on the completion of 5 months' service afloat, as to their fitness for confirmation as "Schoolmasters."

3. Schoolmasters not recommended for confirmation on the completion of 5 months' service afloat will be discharged to the shore or revert to their original rating, unless at the discretion of the Admiralty they be allowed the option of a further period of probation not exceeding 5 months.

4. Schoolmasters who fail to pass will not be eligible for further increments of pay or for advancement to the relative rank of Commissioned Warrant Officer, having regard to the fact that they will be available only for minor appointments. Provision is made in Section XII. for optional retirement with a gratuity.

IV.—SCHOOLMASTER (RELATIVE RANK OF COMMISSIONED WARRANT OFFICER).

1. Schoolmasters will be advanced "automatically" to the relative rank of Commissioned Warrant Officer on the completion of 20 years' service, provided that they are recommended and have obtained a pass in each of the three re-qualifying courses.

2. It is to be clearly understood that, as the Schoolmaster Branch are entered as Acting Warrant Officers and no longer serve as ratings, the rule in other branches which allows of automatic promotion to Commissioned Warrant Rank after 10 years' service in Warrant Rank, subject to satisfactory record, does not apply to this branch.

V.—ADVANCED COURSE.

1. VII.—STAFF FOR ORGANISATION AND SUPERVISION.

1. In order that there may be made available a staff of Schoolmasters to fill positions equivalent to those of "Headmaster" and of "Senior Assistant," and that these may be given the status requisite for their special duties, it has been decided to institute two higher grades to be termed "Headmaster" and "Senior Master," to be confined to a limited number who have been selected by a gradual process of elimination as specially fitted for these responsible positions.

Officers of these grades will hold the relative ranks of Lieutenant and Commissioned Warrant Officer respectively.

Senior Master.

2. The number of Senior Masters will not exceed, in the normal course, 25 per cent. of the total number of active service Officers of the Schoolmaster Branch. Subject to this limit the establishment will be determined by the number of appointments in which the services of a Senior Master are required.

3. In the Schoolmaster Branch, Senior Masters will rank above all "Schoolmasters."

4. Appointments as Senior Masters will be made only into vacancies, and will be by selection from among those Schoolmasters who have passed the Advanced Course, have completed 1 year's satisfactory employment in a "Special List" appointment, and are recommended as possessing the special qualities requisite for a supervising appointment.

3. Promotions will be made by selection as vacancies occur.

VIIIa.—HEADMASTER (RETIRED LIST.)

1. Senior Masters who retire after not less than 10 years' service in that rank will be eligible for promotion to the rank of Headmaster on the Retired List.

2. Similar promotion, as a reward for long and zealous service, will be allowed in the case of specially recommended Schoolmasters who retire after not less than 23 years' service.

IX.—WIDOWS' PENSIONS, WOUND GRATUITIES, &c.

Widows' pensions, wound gratuities, compassionate allowance, &c., will be according to the scales for Warrant Officer, Commissioned Warrant Officer, Lieutenant and Lieutenant Commander respectively.

X.—UNIFORM.

9. Candidates will be informed by letter from the Civil Service Commission of the result of their Examination.

Those Candidates up to the required number who obtain the greatest number of marks in the subjects named in paragraph 7 will be eligible for appointment as Apprentices, and they will be allowed to select their trades according to their position on the Examination List.

No lodging or maintenance for Dockyard Apprentices is provided by the Admiralty, except as stated in paragraph 13.

11. Provided their character and conduct are satisfactory, and that they have made such progress in their trades and in the educational subjects prescribed for Dockyard Apprentices as to render them efficient workmen, Apprentices will be entered as Journeymen on the expiration of the probationary period following the completion of the period of apprenticeship, and after any time lost by absenting has been made up; and subject to their services being satisfactory they will in ordinary circumstances be retained for a period of two years, and eventually be merged with the general body of hired workmen in the respective trades.

12. The pay of Apprentices serving in the Dockyards is as follows:—

	s.	d.	
First year	6	0	a week
Second year	8	0	"
Third year	10	0	"
Fourth year	14	0	"
Fifth year	20	0	"

On completion of the five years' apprenticeship, Apprentices will be entered as Probationers on a probationary rate of 30s. a week, and advancement to the full mechanics' rating and rate of wages will be at the discretion of the Local Officers according to the circumstances in each case.

13. Board Wages will be allowed to Apprentices only in special cases of distress, and when the distress is due to the fathers of such Apprentices having been killed in the Naval Service, or in other service under the Admiralty or having died or been rendered unable to contribute sufficiently towards the support of their families through exposure or injuries received while on duty; when granted, board wages will make the total weekly pay up to 10s. a week.

The details of the School Training of Apprentices and other particulars are given in the Regulations which may be obtained on application to the Secretary to the Admiralty, or to the Superintendent of one of His Majesty's Dockyards (see par. 1).

2. Adaptation of rates for Pensions, and for Compassionate Allowances, must be addressed to the Secretary of the Admiralty for the decision of the Board.

3. The Pensions of all Widows shall commence from the day following that on which their husband died, [illegible] payable to be made by the Widow within twelve Months from the same, otherwise from the time of [illegible]

4. His Majesty's Orders in Council increasing rates of Pensions, or Compassionate Allowances, are not retrospective in their operation, and only affect the cases of such Officers as may be on the Active List at the date of such Orders in Council, or subsequently [illegible]

5. If the claim of a Widow to Pension shall not be established *before her death*, the amount of pension to which she would have been entitled if living shall not be allowed to her representatives.

6. The Pensions authorised by these Regulations cannot be claimed as a *Right*; they are granted as rewards for good and faithful service rendered by deceased Officers; they will only be conferred on persons deserving the Public Bounty; the *ordinary* Pension will not be granted to Widows whose private incomes may exceed the confidential scale which may from time to time be fixed by the Admiralty as the limit for each Rank of Officers, and the Pensions are liable to be discontinued altogether, in case of any misconduct rendering the individual receiving them unworthy of the Public Bounty.

The Widows of Naval Officers placed on permanent Half Pay or on the Retired or Pension List, on or after the 2nd August, 1869, on account of misconduct, after having completed not less than 20 years continuous service towards retirement or pension, may at the discretion of the Admiralty be granted pensions, provided that a deduction of not less than 10 per cent. shall have been made from the Retired Pay or Pensions to which, but for their misconduct, these Officers would have been entitled. In such cases the Widow's Pension will be reduced by half the percentage by which the husband's Retired Pay or Pension has been reduced.

Widows of retired Officers, or others formerly in the Royal Navy, having been allowed to resign their Commissions, who have been called out or have volunteered for service in case of war or emergency and have lost their live from causes attributable to the service, may be allowed pensions, and their Children Compassionate Allowances of the special scale applicable to the rank held by the Officer at the time of his death, notwithstanding that he may have married whilst on the Retired List or after resignation of his Commission, and subject to the provisions of the Commutation Acts of 1871 and 1882.

7. A Widow shall not be eligible to be placed on the Pension List under any of the following circumstances:—

i. If her husband married after the age of 60 years, except Commissioned Warrant Officers, and Warrant Officers pensioned before 1st October, 1875, in whose case the limit of age is 50.

ii. If her husband, being capable of service, had, at his own solicitation, been excused from serving, when called upon, provided that he was officially warned that his Widow would thereby forfeit the Pension.

iii. If her husband had been guilty of any fraudulent misapplication of the public money.

iv. If her husband had been guilty of Bigamy; or if he had been living at the time of her husband's death in a disreputable state of separation.

v. If her husband died in the service of a Foreign State unless serving with the permission of the Admiralty.

vi. If she had not been married Twelve Months to the Officer by whose right she claims the Pension, **unless the said Officer was killed or drowned in an immediate act of duty. The Admiralty may, however,** grant the Pension in cases of Officers dying before the expiration of Twelve Months from the time of their marriage, but only if satisfactory evidence is produced to show that the marriage did not take place under any circumstances which would imply that there was any fraud in the transaction, or any improper intention of obtaining the Pension for the Widow and provided it be clearly shewn that the Officer was in good health when he married, and that the disease which occasioned his death was not brought on by any misconduct, or by any circumstances over which he had control.

vii. If she shall receive any other Pension, Provision, or Allowance from the Government on account of her husband's services in a Naval or Military capacity; but Widows in receipt of Pensions from the Civil List are not deprived of their Naval Pensions on account thereof, and Widows who, in consequence of second marriage, may be eligible for either a Navy or an Army Pension, may elect to receive that which is most advantageous to them.

viii. If her private income exceeds the confidential scale fixed by the Admiralty as the limit for the rank last held by her husband; observing that the Widows of Commanders retired with the rank of Captain, Lieutenant Commanders or Lieutenants retired with the rank of Commander, and so on, may enjoy the private income applicable to the higher rank without forfeiting their Pensions thereby.

ix. If the marriage took place subsequent to the Officer commuting his Retired Pay, or if the Officer, after having commuted, removed his name from the List of the Navy, although the marriage may have taken place before such commutation.

Note.—Widows of Officers married after partial commutation will only be granted a proportion of the pension for which they would otherwise have been eligible.

x. If marriage took place after the Officer was removed from the Active List. This regulation to be only applicable to Officers who retired after 10th November 1886, and is not to apply to Widows of Retired Officers or others called out or volunteering in case of war or emergency, who lose their lives from causes attributable to the Service.

xi. If her husband, being a Medical Officer, should retire or withdraw upon a gratuity.

8. The pensions of Widows whose private incomes may, after their pensions have been awarded, increase beyond the limit fixed from time to time by the Admiralty for the rank last held by their husbands, shall be suspended as long as their private incomes exceed such limit; but may be restored again in the event of their private incomes decreasing within the limit.

9. The Widows of Commissioned Officers (except Chaplains) who shall have married after the 10th November 1886, are only entitled to the Pensions of their respective classes, in the event of their husbands having 10 complete years' seniority as Commissioned Officers on the Active List, except the Husband be killed in action, or lose his life in the execution of his duty. If, however, the Officer had five years' seniority on the Active List, was in good health when he married, and it be clearly shewn that the disease which occasioned his death was not brought on by any misconduct, or by any circumstances over which the Officer himself had control, the Admiralty may award Pensions in such cases as they think proper.

The restrictions as to service as Commissioned Officer on the Active List will not apply to:—(*a*) Officers retired before the 10th November 1886, such Officers being allowed to count their time as Commissioned Officers on the Active, Reserved, or Retired Lists as qualifying for eligibility for pension to their widows.

CLASS C.—Officers who die of disease, injury, or accident, not coming under Classes A or B.

CLASS A.—Officers killed in action, or dying from wounds received in action, or from other violent death due directly and wholly to War Service.

CLASS B.—Officers who die of disease due to active operations in the field, or otherwise directly attributable to military service, or from injuries received in and by service so far as not covered by Class A.

9. In view of the revision in the rates of Compassionate Allowances and the institution of Educational Allowances, the existing provision for the grant of double Compassionate Allowances to motherless children is abolished, subject to the proviso that the Guardian of any child who considers the provisions of existing Regulations more beneficial to such child, may, at the time the award is made, elect that the child should receive the benefit of existing Regulations, and that such option once exercised shall be final.

12. On the death of an Officer who leaves no widow or legitimate child, under conditions such as entitle an Officer's Widow to Pension at the highest or the intermediate rate, the Admiralty has power to grant allowances as under:—

It shall cease in the event of the recipient marrying or attaining to pecuniary circumstances which, in the opinion of the Admiralty, disqualify her, and shall not in any case be transferable.

The Father may, subject to the same conditions as far as they are applicable, receive an allowance similar to that granted to a Mother, provided he is a widower and totally incapacitated by age or infirmity.

The amount of the allowance shall be determined in each case by the Admiralty with regard to the pecuniary circumstances of the Sister or Sisters.

Not more than £50 a year shall be granted to any one Sister, and the total shall not in any case exceed the Pension which would have been awarded to the Officer's Widow, had he left one, or the annual value of the support afforded by the Officer.

Except in special cases where the Officer's Sister is shown to be unfitted by age or infirmity to earn her living, an allowance will not be granted if she is over 21 years of age, nor be continued beyond that age. It shall also cease in the event of the recipient marrying or attaining to pecuniary circumstances which, in the opinion of the Admiralty, disqualify her.

The Mother or Sisters of a deceased Officer may, however, be granted, if more advantageous to them than the allowances herein specified, the benefits of the formerly existing Regulations.

(2) The above allowances may also be granted or continued after the specified ages in very special cases in which it is shown that (a) the children became afflicted during the officer's lifetime with some mental or bodily infirmity rendering them dependent upon him, and incapable of making adequate exertion for their own support; (b) that such incapacity dates from a period before the children reached the limit of age; and (c) that they are in distressed circumstances. The allowances may be granted or continued for such term as the Minister of Pensions may decide.

(3) A gratuity of one-third of the amount laid down in Article 11 (4) may be granted in addition to children's allowance for each child if the officer dies in the circumstances referred to in Article 11 (1) (a) or (2) (a).

(4) The widow of an officer awarded a pension under Article 11 may, if in pecuniary need, be granted at the discretion of the Minister of Pensions an education allowance not exceeding £35 a year for each child above the age of 9. The continuance of the allowance shall depend on the Minister being satisfied as to the education the child is receiving. It shall not be granted to a widow receiving an alternative pension under Article 13.

(5) In any case in which, in the opinion of the Minister of Pensions, it may become necessary to secure the proper care of a child on behalf of whom allowances are payable, the allowances, instead of being paid to the widow, may be administered under such conditions as the Minister of Pensions may determine.

13. A Widow pensioned under the conditions set forth in Article 11 of these Regulations, who makes application and shows that she was married to the officer before the commencement of the war or of his service, whichever was the later, and that her pension together with children's allowances (if any) which she has been granted under the two preceding articles is less than one-half the alternative retired pay that might have been awarded to the deceased officer under Article 3 had he survived and been incapable of supplementing that retired pay by earnings, may be granted, in lieu of such pension and children's allowances, a pension which shall not exceed one-half of such officer's alternative retired pay.

14. The widow of an officer not eligible for pension under Article 11 may be granted a gratuity of not less than one and not more than three years' pay of the appointment held by the officer provided that:—

(a) the officer dies while on full pay, or during the war after removal from full pay from the injury or disease for which he was removed from full pay or some closely connected disease, and there is a continuous medical history of sickness; and

(b) the widow is disqualified only through the insufficiency of the officer's service for an ordinary pension under the terms of the King's Regulations and Admiralty Instructions.

The amount of the gratuity within the above limits shall be at the discretion of the Minister of Pensions and may be paid in a lump sum or in instalments as he may determine. In the event of the officer leaving motherless children, a similar grant may be made to them under such conditions as the Minister of Pensions may determine.

15. Any pension granted to the widow of an officer under these Regulations shall cease on her re-marriage; but in the event of her again becoming a widow, her pension may be restored, if she is otherwise qualified, and if in the opinion of the Minister of Pensions her pecuniary circumstances are such as to justify the restoration. Allowances for children under Article 12 may be paid after re-marriage.

16. The widow of an officer who was at the time of his death in receipt of retired pay in consequence of disablement of not less than £70 a year, but whose death does not render her eligible for a pension under Article 11 of these Regulations may, provided she was living with the officer at the time of his death, receive a pension of not more than one-half the deceased officer's retired pay on account of his disablement, and in no case at a higher rate than provided for under sub-section (3) of that article, this grant to be subject to such conditions as the Minister of Pensions may determine and to cease on re-marriage.

17.—(1) The child of an officer who has died in the circumstances set forth in Article 11 of these Regulations may be awarded a pension of £40 a year when the child is or becomes motherless, or is not or ceases to be under the control of its mother. In the event of two or more children being maintained by one person, the amount will be reduced to £35 for each of the children after the first.

(2) The grant, continuance, and administration of the pension, shall be subject to the same conditions as those set forth for children's allowances in Article 12 (1), (2), and (5).

(3) A child granted a pension under sub-section (1) of this Article shall be eligible for a gratuity under the conditions of Article 12 (3), and for an education allowance under the conditions laid down in Article 12 (4).

(4) If the officer met his death in the circumstances of Article 11 (1) (a) or (2) (a) and did not leave a widow, but daughter or daughters only, an annual allowance equal to the ordinary rate of widow's pension as laid down in the King's Regulations and Admiralty Instructions may be granted to the daughter or daughters collectively instead of the pension under sub-section (1) above. This allowance may be continued until the daughter, or the last surviving daughter, becomes disqualified by marriage.

18. The following conditions shall apply to the grant or continuance of pensions to the relatives, other than widows and children, of deceased officers under Articles 19 and 21 below:—

(1) It shall be granted only if the officer dies in the circumstances set forth in Article 11 (1), (2) or (3) of these Regulations.

(2) It shall be granted or continued only if the pecuniary or other circumstances of the relatives are such as in the opinion of the Minister of Pensions to justify the award.

(3) It shall not, together with any other pension or similar provision from public funds, exceed the pension which has been or would have been awarded to the officer's widow under Article 11 (1), (2) or (3) and the Second Schedule to these Regulations.

(4) It shall not be transferable, except that where it is granted jointly to parents or to two or more sisters or brothers, it may be continued, wholly or in part, to the survivors.

(5) It shall cease on marriage or re-marriage.

19. (1) A pension may be granted to the parents or parents of an officer of such an amount as the Minister of Pensions may decide, subject to the conditions of Article 18 and such other conditions as he may determine, regard being had to pre-war dependence, if any and to the age or infirmity of the parent or parents.

A Flag Officer shall give up his Good Service Pension if he is appointed Naval Aide-de-Camp to His Majesty.

Good Service Pensions shall be awarded to Flag Officers and Captains for distinguished service at sea, and in determining their claims, preference shall be given, in cases of special gallantry, to Officers who have commanded ships in action against the enemy.

The Good Service Pensions for Flag Officers may be conferred on Officers either on the Active or the Retired List, provided, in the case of Retired Officers, that retirement shall have taken place after attaining Flag Rank, and that the Retired Pay, together with the Good Service Pension, shall not exceed the half pay of an Admiral of the Fleet.

Flag Officers in receipt of these Pensions shall be allowed to retain them after being retired: but, if the Retired Pay and Good Service Pension together exceed the half pay of an Admiral of the Fleet, the Retired Pay shall be reduced so as to make the two together equal to that amount.

An Admiral of the Fleet on the Active List shall not be allowed to hold any Pension, unless it be a Pension conferred for wounds or injuries received in the service.

Captains, Royal Navy, shall relinquish their Good Service Pensions on retirement, and no Captain will be allowed to receive any addition to his retired pay on account of a Good Service Pension held by him upon retirement, except in case of retirement for ill-health caused by the Service. In such cases Officers will receive, at the discretion of the Admiralty, an addition ranging from a minimum of 50*l.* to a maximum of 150*l.*, and the increase over the minimum will be at the rate of 10*l.* for each year's service in excess of 20 years. In no case, however, will the retired pay of a Captain exceed 600*l.* a year.

Flag Officers and Captains are allowed to receive their Good Service Pensions notwithstanding appointment to Full Pay or Civil Salary.

Should any Flag Officer holding a Good Service Pension be in receipt of, or become entitled to a Civil Pension, exceeding the value of his Good Service Pension, the latter Pension shall be suspended so long as he receives such Civil Pension, and the vacancy thus occasioned may be filled up; but, as a rule, it is not intended that more than one such supernumerary Pension shall be in existence at the same time.

Engineer Vice-Admirals, Engineer-Rear-Admirals and Engineer-Captains shall be eligible for the award of Good Service Pensions whether on the Active or Retired List, but when a Good Service Pension is awarded to an Engineer-Captain on the Active List he shall relinquish it on promotion to Engineer-Rear-Admiral, or on retirement.

General Officers of Royal Marines shall be eligible for the award of Good Service Pensions whether on the Active or Retired Lists.

Officers retired from the position of Colonel Commandant or placed on the Reserve List of Colonels shall relinquish the Good Service Pension, but are eligible for the Good Service Pensions for General Officers.

3. British merchant ships in receipt of Admiralty Subvention will be allowed to fly the Blue Ensign under Admiralty Warrant.

4. In order to ascertain that the above conditions are strictly carried out, the Captain of one of His Majesty's Ships meeting a ship flying the Blue Ensign may send an Officer, not below the rank of Lieutenant, on board at any convenient opportunity. XVII.—*Paymaster Sub-Lieutenants for Service in the Royal Navy, under Order in Council of 7th March, 1908.*

(51.) Under the authority of the "Royal Naval Reserve Officers Act, 1863" (26 & 27 Vict. c. 69), as amended by Act 35 & 36 Vict. c. 73, the Lords Commissioners of the Admiralty have formed a Reserve of Accountant Officers for service in the Royal Navy in emergencies.

2. It will consist of a certain number of Paymaster Sub Lieutenants who will be granted commissions as Officers of the Royal Naval Reserve under the existing regulations respecting R.N.R. Officers, so far as they are applicable to their case.

3. They will be required to undergo training in Accountant duties in time of peace, and will be liable to be called out by Royal Proclamation for service in the Fleet in any national emergency, and to continue serving during the continuance of such emergency.

(52.) To be eligible for a commission as Paymaster Sub Lieutenant, R.N.R., candidates must be between 21 and 30 years of age, with a good knowledge of, and at least three years' experience in, the keeping of accounts. They will be required to produce thoroughly satisfactory testimonials from the firms in which they are employed, and to present themselves before a Board of Selection at the Admiralty.

2. Every candidate will be required to pass a medical examination before the Medical Director-General of the Navy; he must be in good health, well-developed and active, free from any physical defect of body, impediment of speech defect of hear-

ing, or serious defect of sight, and also from any predisposition to constitutional or hereditary disease or weakness of any kind. The case of a short-sighted candidate, in other respects fit, will be specially considered on its merits.

(53.) Candidates for Paymaster Sub-Lieutenants who pass the medical examination and are provisionally accepted by the Board of Selection will be required to attend a preliminary course of instruction in the evenings, for at least a fortnight, and if satisfactorily reported on by the Instructing Officer, they will be given an appointment, as Acting Paymaster Sub-Lieutenant R.N.R.

2. This preliminary instruction will be followed by training on board one of H.M. ships on the Home Station for a minimum period of 14 days and a maximum of one month, to be repeated for three years, or until they pass an examination and are reported qualified for confirmation in their rank. The course of instruction will include the practical duties of Accountant Officers in regard to Naval Accounts and payments, and in regard to the receipt, issue, care, and preservation of provisions, clothing, and other stores on board H.M. Ships.

NOTE.—Acting Paymaster Sub-Lieutenants who are Pursers or Assistant Pursers in the Mercantile Marine will not be required to attend the Instructional Classes, but must perform a minimum of 21 days' training each year until confirmed.

3. Any Acting Officer, who, after three yearly courses of instruction, may not be found fully suitable in every respect to hold a Commission, will not be confirmed in the rank, but will cease to belong to the Reserve.

4. The convenience of the firms will be studied in arranging the dates of embarkation, but it is very desirable that the first period of training in the Fleet should be as long as possible.

(54.) Whilst embarked, every opportunity should be taken of fully instructing them in the practical duties of Paymaster Sub-Lieutenants and with this object they should be regarded as forming part of the staff of the Paymaster.

2. It is to be understood that, whilst the minimum period of training has been fixed at a fortnight, and the maximum at a month, each year, these Officers must be discharged in time to enable them to keep their engagements with their employers. Travelling warrants may be given to them to the place from which they joined or to any not more distant place, and the usual travelling expenses will be paid.

3. At the end of the course of training a report is to be made as to the progress which they have made and whether they display the qualities expected of gentlemen filling the position of Commissioned Officers in His Majesty's Fleet.

(55.) Officers will be further expected, until confirmed in their rank, to attend the evening classes of instruction for about ten days in each year; and after confirmation they will be required to keep themselves efficient either by attending classes of instruction or by further training in the Fleet, as may be practicable.

(55a.) Paymaster Sub Lieutenants (confirmed) will be allowed to volunteer for one year's service afloat, when they will receive pay at the rate of 10s. a day, equipment allowance of £15 and will be eligible for a bonus of £25 on termination of appointment (conditional on good conduct and service).

(56.) Paymaster Sub-Lieutenants R.N.R., will rank with, but after, Paymaster Sub-Lieutenants of the Royal Navy.

2. When on duty they will wear the uniform established for Officers of the Royal Naval Reserve. If called out for service in emergency they will be granted the sum of £25 for equipment. Before embarking for training they will be expected to provide themselves with a Duty Undress and a Mess Undress. The provision of any further articles of uniform for occasions of ceremony will be optional.

3. They are authorised to wear uniform when serving in H.M. Ships and on State occasions only.

4. They will mess in the Wardroom, paying the ordinary mess subscription of 2s. a day and other small expenses.

(57.) When called out by Royal Proclamation for service in the Fleet, or when embarking for training, they will serve under the provisions of the Naval Discipline Act, and they will receive a daily rate of pay of 10s. a day.

(58.) No money allowance will be granted to Officers attending classes of instruction.

2. Classes of instruction are held in the evening at the Admiralty, Whitehall.

(59.) Paymaster Sub-Lieutenants R.N.R. will, except when called out in emergency, be permitted to tender the resignation of their Commissions at any time. They will be liable to forfeit their Commissions should the Admiralty for any reason have no further need of their services.

2. Officers who leave the Active List for any reason before the completion of 10 years' service are liable to be called upon to resign their Commissions.

3. On reaching the age of 40, or at their own request at 35, Officers who have been confirmed in their rank and who have served not less than 5 years in the Reserve, will be placed on a retired list of Paymasters Sub-Lieutenants R.N.R., at the discretion of the Admiralty.

4. Paymaster Sub-Lieutenants R.N.R., placed on the retired list may, under exceptional circumstances, be granted a step in rank at the discretion of the Admiralty.

(60.) Officers who may receive hurts or wounds whilst on active service in the Royal Navy, or while under training in the Fleet, will receive compensation in accordance with the scale applicable in the case of Paymaster Sub-Lieutenants of six years' seniority in the Royal Navy. If they are killed in action, or die from accident resulting from the performance of their duty, their widows and children will similarly receive allowances in conformity with the regulations.

(61.) When Paymaster Sub-Lieutenants R.N.R. are embarked for training, bedding, &c., as laid down in the Regulations, may be drawn for them.

(62.) Under Orders in Council of 2nd May, 1917, and 13th June, 1917, Paymaster Sub-Lieutenants R.N.R. who were entered under the Order in Council of the 7th March, 1904, may, at Admiralty discretion, receive promotion to the ranks of Paymaster Lieutenant-Commander and Paymaster Lieutenant R.N.R., under the following Regulations:—

1. To be eligible for promotion to the rank of Paymaster Lieutenant on attaining 4 years' seniority as Paymaster Sub-Lieutenant.

2. To be eligible for promotion to the rank of Paymaster Lieutenant-Commander on attaining 8 years' seniority as Paymaster Lieutenant.

3. Pay when employed to be at the rates authorised for Paymaster Lieutenant- and Paymaster Lieutenant-Commanders, R.N., viz.:—

Under 4 years' seniority as Paymaster Lieutenant	12s. a day
After 4 years' seniority as Paymaster Lieutenant	13s. a day
On promotion to Paymaster Lieutenant-Commander	14s. a day
After 1 year's seniority as Paymaster Lieutenant-Commander	15s. a day
After 3 years' seniority as Paymaster Lieutenant-Commander	17s. a day

together with messing allowance during the war 2s. a day. Officers who, owing to the receipt of charge pay, are already in receipt of pay and allowances 15s. 6d. a day, to retain the extra 6d. a day on promotion until it is absorbed in the rate of pay on completion of one year's seniority, provided they continue to hold the appointment in which the charge pay was granted.

4. To be retired on attaining the age of 60 years.

5. To rank with, but after, the corresponding ranks in the Royal Navy.

Only service as an "Efficient" will be allowed to count towards the qualifying period, but the service need not be continuous.

2. Service with the Regular Forces, Militia, or Special Reserve, will not be allowed to reckon towards the qualifying period, but all service with the Auxiliary Forces including service qualifying for the Colonial Auxiliary Forces Long Service Medal will reckon, provided that the last five years have been served in the Royal Naval Volunteer Reserve. For this purpose service in the disbanded Royal Naval Artillery Volunteers will reckon as service in the Royal Naval Volunteer Reserve.

Service in Boys' Companies will be allowed to reckon towards the grant of the medal, subject to the following rules:—

(a) To count his service as a boy he must enrol in the Royal Naval Volunteer Reserve, direct or through a Probationer Company, within six months of leaving the Cadet Company.

(b) He will not be permitted to count service before the age of 18.

3. The Medal may also be granted to members who have retired after completing 12 years' service, and to Officers who have served in the ranks, and are not eligible for the decoration for Officers.

4. *Applications.* Applications should be made on Form R.N.V. 140 to the Admiral Commanding Coast Guard and Reserves who will determine the validity or otherwise of any claim.

5. *Forfeiture of Medal.*—When the conduct of a man after he has been awarded the medal is considered to be such as to disqualify him from wearing it, he may be deprived of it by the Admiral Commanding Coast Guard and Reserves. The deprivation will be reported to the Admiralty.

6. *Loss of Medal.*—When it is desired to replace a medal which has been accidentally lost by the owner, a declaration must be made before a Magistrate or before a commissioned Officer of the R.N.V. Reserve stating the circumstances in which he lost it, and the name, rank, and official number of the man to whom the medal belonged. This declaration will be sent to the Admiralty through the usual channel in the case of a man who is still serving, and direct in the case of one who has retired. The medal will be replaced on payment, if the explanation as to its loss is considered satisfactory.

REGULATIONS RESPECTING FOREIGN ORDERS AND MEDALS APPLICABLE TO PERSONS IN THE SERVICE OF THE CROWN.

ORDERS

1. It is the King's wish that no subject of His Majesty in the Service of the Crown shall accept and wear the Insignia of any Foreign Order without having previously obtained His Majesty's permission to do so, signified either:—

(a) By Warrant under the Royal Sign Manual, or—

(b) By private permission conveyed through His Majesty's Private Secretary.

2. Permission given by Warrant under the Royal Sign-Manual will enable the Insignia of the Foreign Order to be worn at all times and without any restriction.

Private permission will only enable the Insignia to be worn on the occasions specified in the terms of the letter from the King's Private Secretary conveying the Royal Sanction.

3. Full and unrestricted permission by Warrant under the Royal Sign Manual is contemplated in the following cases:—

For a Decoration conferred

On an Officer in His Majesty's Naval or Military Forces lent to a Foreign Government; on an Officer in His Majesty's Naval or Military Forces attached by his Government to a Foreign Navy or Army during hostilities; or on any British Official lent to a Foreign Government and not in receipt of any emoluments from British public funds during the period of such loan.

In the case of decorations awarded in recognition of services under the Red Cross, permission will only be granted where such services have been rendered in a war in which the Empire has itself been engaged, and by persons serving under one of the officially recognised British voluntary aid societies or under similar societies of Allied States duly recognised by the Governments of those States.

4. Private or restricted permission is contemplated for Decorations which have been conferred in recognition of personal attention to the Head of a Foreign State, and which are therefore of a more or less complimentary character, and will, as a rule, only be given on exceptional occasions when in the public interest and for political reasons it is deemed expedient that the acceptance of a Foreign Decoration should not be declined. Private permission will generally be given in the following cases:—

For a Decoration conferred—

(1) On British Ambassadors or Ministers abroad when the King pays a State visit to the country to which they are accredited;

(*Note.*—A State visit is defined as one on which the King is accompanied by a Minister or High Official in attendance.

(2) On Members of Deputations of British Regiments to Foreign Heads of States;

(3) On Members of Special Missions when the King is represented at a Foreign Coronation, Wedding, or Funeral; or on any Diplomatic Representative when specially accredited to represent His Majesty on such occasions; and such Members of his Staff who actually attend the ceremonies in their official capacity;

(4) On Naval and Military Attachés only after completion of five years' service at the post to which they are appointed in that capacity.

5. Private or restricted permission will *not* be given to

(1) British Ambassadors or Ministers abroad when leaving;

(2) Members of British Missions announcing the Accession of a sovereign;

(3) British Officers attending Foreign Manœuvres.

(4) Naval Officers of British Squadrons visiting Foreign Waters.

6. The desire of the Head of a Foreign State to confer upon a British Subject in the Service of the Crown the Insignia of an Order must be notified to His Majesty's Principal Secretary of State for Foreign Affairs, either through the British Diplomatic Representative accredited to the Head of the Foreign State, or through his Diplomatic Representative at the Court of St. James.

7. When His Majesty's Principal Secretary of State for Foreign Affairs shall have taken the King's pleasure on any such application, and shall have obtained His Majesty's permission for the person in whose favour it has been made to wear the Insignia of a Foreign Order, he shall signify the same to His Majesty's Principal Secretary of State for the Home Department, in order that he may cause a Warrant, if it be a case for the issue of a Warrant as defined in Rule 2, to be prepared for the Royal Sign-Manual.

When such Warrant shall have been signed by the King, a notification thereof shall be inserted in the "Gazette," stating the service for which the Foreign Order has been conferred.

Persons in whose favour such Warrants are issued will be required to pay to His Majesty's Principal Secretary of State for the Home Department a stamp duty of Ten Shillings.

8. The Warrant signifying His Majesty's permission may, at the request and at the expense of the person who has obtained it, be registered in the College of Arms.

Digitized by Google

Every such Warrant as aforesaid shall contain a clause providing that His Majesty's licence and permission does not authorize the assumption of any style, appellation, rank, precedence, or privilege appertaining to a Knight Bachelor of His Majesty's Realms.

9. When a British subject in the Service of the Crown has received the Royal permission, full or private, to accept and wear the Decoration of a Foreign Order, he will not be allowed to accept and wear the Decoration of a Higher Class of the same Order without His Majesty's approval, which will only be given if the higher honour is being conferred in circumstances contemplated by these Regulations.

MEDALS.

10. Medals which constitute a particular class of a Foreign Order are subject in all respects to the Regulations in the same manner as higher grades of the Order, except that permission to wear will be given by Letter and not by Royal Warrant.

11. The King's unrestricted permission to accept and wear a Foreign Medal will only be given in the case of a Foreign Medal conferred by the Head or Government of a Foreign State for saving or attempting to save life at sea or on land. In the case of Medals for Red Cross services, permission will only be granted subject to the fulfilment of the conditions laid down in para. 8.

12. The King's unrestricted permission to accept and wear a Foreign War Medal will only be given to (1) Officers of His Majesty's Military or Naval Forces if serving with a Foreign Army or Navy with His Majesty's licence, and (2) Military or Naval Attachés or other officers officially attached to Foreign Armies or Navies during hostilities.

13. In exceptional cases, when for special reasons it is deemed expedient that the acceptance of the Medal should not be declined, His Majesty will grant restricted permission. Such cases will be judged on their merits, and the circumstances in which the Medal may be worn will be specified in the Letter conveying His Majesty's permission.

14. The term "person in the Service of the Crown" includes persons in receipt of a salary or pension from Public Funds, or holding a Royal Commission in any part of His Majesty's Dominions, Protectorates, or Possessions.

15. Ladies are subject to the Regulations in all respects in the same manner as men.

Foreign Office, March 10, 1914.

FOREIGN DECORATIONS.

SPECIAL WAR REGULATIONS REGARDING THE WEARING OF DECORATIONS OF THE ALLIED STATES BY OFFICERS OF HIS MAJESTY'S NAVAL AND MILITARY FORCES.

The King has granted unrestricted permission for the wearing of decorations conferred by the Heads of Allied States upon British Naval and Military officers in recognition of services in the active prosecution of the war, wherever such services may have been performed. The names of officers so decorated are from time to time notified in the "London Gazette" by the Admiralty or the War Office, with a statement as to the precise decoration conferred and an announcement that the officer concerned has received His Majesty's permission to wear it. No other formality is required to give effect to the King's pleasure in such cases, the issue of warrants under the Royal Sign Manual as prescribed by the Foreign Order Regulations in ordinary cases being dispensed with.

(The foregoing does not apply to officers on the retired list serving under Red Cross and kindred organisations. Permission for the wearing of decorations conferred upon such officers can be granted if the requirements of the Foreign Office Regulations especially applicable to them are duly fulfilled.)

Officers who at any time, whether before or during the war, have received private permission to wear a decoration of any Allied State in circumstances which did not permit of the grant of unrestricted permission under the Foreign Order Regulations, the decision of His Majesty referred to above has nevertheless permitted to wear such decoration without restriction during the period of the war.

Foreign Office, November, 1917.

THE VICTORIA CROSS.

VICTORIA R.

Whereas, We, taking into Our Royal consideration that there exists no means of adequately rewarding the individual gallant services either of Officers of the lower grades in Our Naval and Military Service, or of Warrant and Petty Officers, Seamen, and Marines, in our Navy, and Non-commissioned Officers and Soldiers in Our Army; and whereas the Third Class of Our Most Honourable Order of the Bath is limited, except in very rare cases, to the higher ranks of both Services, and the granting of medals, both in our Navy and Army, is only awarded for long service or meritorious conduct, rather than for bravery in action or distinction before an enemy, such cases alone excepted where a general medal is granted for a particular action or campaign, or a clasp added to the medal for some especial engagement, in both of which cases all share equally in the boon, and those who by their valour have particularly signalised themselves remain undistinguished from their comrades. Now, for the purpose of attaining an end so desirable as that of rewarding individual instances of merit and valour, We have instituted and created, and by these presents, for Us, Our Heirs and Successors, institute and create a New Naval and Military Decoration, which We are desirous should be highly prized and eagerly sought after by the Officers and Men of Our Naval and Military Services, and are graciously pleased to make, ordain, and establish the following rules and ordinances for the government of the same, which shall from henceforth be inviolably observed and kept.

Firstly.—It is ordained that the distinction shall be styled and designated "the Victoria Cross," and shall consist of a Maltese Cross of Bronze, with the Royal Crest in the centre, and underneath with a escroll bearing this inscription "For Valour."

Secondly.—It is ordained that the Cross shall be suspended from the left breast by a blue ribband for the Navy, and by a red ribband for the Army.

Thirdly.—It is ordained, that the names of those upon whom We may be pleased to confer the Decoration shall be published in the "London Gazette," and a registry thereof kept in the office of Our Secretary of State for War.

Fourthly.—It is ordained, that anyone who, after having received the Cross, shall again perform an act of bravery, which, if he had not received the Cross, would have entitled him to it, such fresh act shall be recorded by a Bar attached to the ribband by which the Cross is suspended, and for every additional act of bravery an additional Bar shall be added.

Fifthly.—It is ordained, that the Cross shall only be awarded to those Officers or men who have served Us in the presence of the enemy, and shall have then performed some signal act of valour or devotion to their country.

Sixthly.—It is ordained, with a view to placing persons on a perfectly equal footing in regard to eligibility for the Decoration, that neither rank, long service, nor wounds, nor any other circumstance or condition whatsoever, save the merit of conspicuous bravery, shall be held to establish a superior claim to the honour.

Digitized by Google

Seventhly.—It is ordained, that the Decoration may be conferred on the spot where the act to be rewarded by the grant of it has been performed, under the following conditions:—

I. When the Fleet or Army, in which such act has been performed, is under the command of the Admiral or General Officer commanding the Forces.

II. When the Naval or Military force is under the command of an Admiral or General Officer commanding a detached squadron or corps, or of a Captain or Commander in charge of a detached force, who has been left by such Admiral, Commander-in-Chief, or General Officer with the power of conferring the Decoration, subject to confirmation by Us.

Eighthly.—It is ordained, that it shall not be lawful for the Admiral or General Officer commanding in Chief, or for any Officer commanding a detached squadron or corps, or for any Captain or Commander in charge of a detached force, who has been left by such Admiral, Commander-in-Chief, or General Officer with the power of conferring the Decoration, to confer the same upon himself; but in every such case the Officer next in command shall report the circumstances to the Admiral or General Officer commanding in Chief, or to the Officer who left the detached force under the command of the Officer reporting, for the information of Us, through the proper Channel, and such Admiral or General Officer shall report the same through the like Channel to the Admiralty or War Office, for the information of Us, that We may cause the Decoration to be conferred in the name of Us, Our Heirs and Successors, by Our Warrant, on the Officer recommended for the same, if We shall see fit so to do.

Ninthly.—It is ordained, that every person selected for the Cross, under the above rules, shall be publicly decorated by the Naval or Military force or body to which he belongs, and with which the act of bravery for which he is to be rewarded shall have been performed, and that no one shall be proceeded against by General Order, together with the names of his associates in the act.

Tenthly.—It is ordained that every person selected under the eighth clause of this Our Warrant shall receive the Decoration as soon as possible, and that his name shall immediately appear in General Orders as above recited, such Orders shall be transmitted by the Naval or Military Commander-in-Chief to the Forces employed in the service.

Eleventhly.—It is ordained that the General Orders above referred to, shall from time to time be transmitted to Our Secretary of State for War, to Us and before Us, and shall be by him recorded.

Twelfthly.—It is ordained that in cases may arise not falling within the rules above specified, or in which a claim, that is well founded, may not have been established to the satisfaction of Us, on the representation of Our Secretary of State for War, and of Our Commander-in-Chief of Our Army, or on that of Our Lord High Admiral or Lords Commissioners of the Admiralty in the case of the Navy, under the Decoration, but never without conclusive proof of the performance of the act of bravery for which the claim is made.

Thirteenthly.—It is ordained that, in the event of a gallant and distinguished act having been performed by a squadron, ship's company, a detached body of Seamen or Marines not identified in number, or by a Regiment, Battalion, troop, or company, in which the Admiral, Commander-in-Chief, Officer commanding such force, or Captain shall consider equally brave and distinguished, and that no special selection can be made, We will that, in such case the Admiral, Commander-in-Chief, or other Officer commanding, may direct the Decoration to be conferred on such Seamen or Marines, or for such Regiment, Battalion, troop, or company, as he may select, and shall notify to the Secretary of the Admiralty or War Office, for Our information, the Petty Officer or Non-commissioned Officer which he selects by the Petty Officers and Non-Commissioned Officers engaged; and that Seamen or Private Soldiers or Marines, shall be selected by the Seamen or Private Soldiers or Marines engaged respectively, for the Decoration; and that such Officer as aforesaid shall be transmitted by the Senior Officer in command of the Naval force, brigade, regiment, troop, or company, to the Admiral or General Officer commanding, who shall in due manner confer the Decoration as if the acts were performed by one.

Fourteenthly.—It is ordained that every Warrant Officer, Petty Officer, Seaman, or Marine, or Non-commissioned Officer or Soldier, who shall have received the Cross shall, from the date of the act by which the decoration has been gained, be entitled to a Special Pension of Ten Pounds a year, and each additional Bar conferred under rule four on such Warrant or Petty Officers, or Non-commissioned Officers or Men, shall carry with it an Additional Pension of Five Pounds per annum.

Fifteenthly.—In order to make such additional provision as shall effectually preserve pure this most honourable distinction, it is ordained, that if any person on whom such distinction shall be conferred be convicted of treason, cowardice, felony, or of any infamous crime, or if he be accused of any such offence and doth not after a reasonable time surrender himself to be tried for the same, his name shall forthwith be erased from the Registry of Individuals upon whom the said Decoration shall have been conferred by our several Warrants under Our Royal Sign Manual, and the Pension conferred under rule fourteen shall cease and determine from the date of such Warrant. It is hereby further declared that We, our Heir and Successors, shall be the sole judges of the circumstance demanding such exclusion; moreover, We shall at all times have power to restore such persons as may at any time have been expelled, both to the enjoyment of the Decoration and Pension.

Given at our Court at Buckingham Palace this twenty ninth of January, in the nineteenth year of Our reign and in the Year of our Lord one thousand eight hundred and fifty six.

By Her Majesty's Command,

PANMURE.

*Under Her Late Majesty's Order in Council of the 2nd of February, 1856, their Lordships are authorised to increase the ordinary Victoria Cross Annuity of Ten Pounds, by a sum not exceeding Forty Pounds a year, in any case in which a Warrant Officer, Petty Officer, seaman or Marine, who has gained the Victoria Cross, may be found by them to be, from old age or infirmity, not due to his own fault, in poor circumstances, and unable to earn a living; provided that the Annuity, together with any Pensions of which he may be in receipt from Public Funds, shall not exceed Fifty Pounds a year.

QUALIFICATIONS FOR THE VICTORIA CROSS.

Whereas doubts have arisen as to the qualification required for the decoration of the Victoria Cross; and whereas the description of such qualification in our warrant of 29th January 1856 is not uniform:

Our will and pleasure is that the qualification shall be "conspicuous bravery or devotion to the country in the presence of the enemy," and that our warrant of 29th January 1856 shall be read and interpreted accordingly.

It is our further will and pleasure that officers and men of our auxiliary and reserve forces (Naval and Military) shall be eligible for the decoration of the Victoria Cross under the conditions of Our said warrant, as amended by this Our warrant.

Given at Our Court at Osborne, this 23rd day of April 1881, in the 44th year of Our Reign

THE ROYAL RED CROSS.

GEORGE R.I.

WHEREAS Her late Majesty Our Beloved Grandmother Queen Victoria by a Warrant dated the 23rd day of April, 1883 did Institute, constitute and create a Decoration designated "The Royal Red Cross" to be awarded in recognition of special services rendered in nursing the sick and wounded of Our Army and Navy and did make, ordain and establish certain rules and ordinances for the government of the same, which rules and ordinances were subsequently amended by Royal Warrants dated the 11th day of December, 1897, the 24th day of July, 1902, and the 8th day of September, 1909:

AND WHEREAS it is Our Royal Will and Pleasure that further provision shall be made for the recognition of such special services rendered in nursing the sick and wounded of Our Army and Navy:

NOW THEREFORE WE do hereby declare that the rules and ordinances heretofore in force for the government of the said decoration shall be abrogated, cancelled and annulled, and We are pleased to make, ordain and establish the following rules and ordinances in substitution for the same, which shall from henceforth be inviolably observed and kept:—

Firstly.—The Decoration shall be styled and designated "The Royal Red Cross," and shall be divided into two Classes.

The First Class shall consist of a Cross, enamelled red, edged with gold, having on the arms thereof the words Faith, Hope, Charity, with the date of the institution of the Decoration; the centre having thereon in relief the Royal and Imperial Effigy. On the reverse thereof the Royal and Imperial Cipher and Crown shall be shown in relief on the centre.

The Second Class shall consist of a Cross which shall be of the same form and size as in the First Class, but shall be of frosted silver and shall have superimposed thereon a Maltese Cross enamelled red not exceeding half its dimensions, the centre having thereon in relief the Royal and Imperial Effigy. The reverse shall have inscribed on the arms thereof the words Faith, Hope, Charity and the date of institution of the Original Decoration, and shall bear in the centre in relief the Royal and Imperial Cipher and Crown.

Secondly.—The Cross in either Class shall be attached to a dark blue riband edged red, of one inch in width, tied in a bow and worn on the left shoulder.

Fourthly.—It shall be competent for Us, Our Heirs and Successors, to confer either Class of this Decoration upon any members of the Nursing Services without restriction as to rank, or upon other persons engaged in nursing duties, whether subjects or foreign persons, who may be recommended to Our notice by Our Secretary of State for War or by the First Lord of the Admiralty, as the case may be, for special devotion and competency which they may have displayed in their nursing duties with Our Army in the Field, or in our Naval and Military Hospitals.

Fifthly.—The number of awards in the First Class of the Decoration shall not exceed two per cent of the total establishment of Nurses, and the number of awards in the Second Class of the Decoration shall not exceed five per cent. of the total establishment of Nurses, the allotments to be proportionate to the numbers of each Nursing Service; provided nevertheless that it shall be competent for us, Our Heirs and Successors, to make such additional awards under exceptional circumstances, We may deem fitting.

Sixthly.—Recipients of the Second Class of the Decoration shall be eligible for advancement to the First Class as vacancies may arise.

Seventhly.—Recipients of the First Class of the Decoration shall be designated Members of the Royal Red Cross, and shall be entitled to the letters R.R.C. following their names. Recipients of the Second Class of the Decoration shall be designated Associates of the Royal Red Cross, and shall be entitled to the letters A.R.R.C. following their names.

Eighthly.—It shall be competent for Us, Our Heirs and Successors, to confer either Class of the Decoration upon any ladies, whether subjects or foreign persons, who may be recommended by notice by Our Secretary of State for War as having voluntarily undertaken the duties of establishing, conducting or assisting in hospitals for the treatment of sick and wounded soldiers and sailors of Our Army and Navy, or of Our Indian Military Forces or of the Naval and Military Forces of the Self-governing Dominions beyond the Seas, or as having performed valuable services with the Red Cross or kindred societies at home or abroad, or as having otherwise rendered eminent services in the care of sick and wounded soldiers and sailors of Our Army and Navy; and it is hereby ordained that all persons appointed under this Clause shall be regarded as Honorary Members or Associates, and their appointments shall be additional to the establishment ordained in the Fifth Clause of Our Royal Warrant.

Ninthly.—The names of those upon whom We may be pleased to confer the Decoration shall be published in the "London Gazette," and a register thereof shall be kept in the office of Our Secretary of State for War.

Tenthly.—In order to make such additional provision as shall effectually preserve the honourable distinction, it is ordained that if any person on whom such distinction shall be conferred shall by her conduct become unworthy to hold the same, she shall be erased, by an order under Royal Sign Manual, from the register of those upon whom the Decoration shall have been conferred. And it is hereby declared that We, Our Heirs and Successors, shall be the sole judge of the conduct which may require the erasure from the register of the name of the offending person, and that it shall be competent for Us, Our Heirs and Successors, to restore the name if such restoration shall be justified by the circumstances of the case.

Lastly.—We reserve to Ourself, Our Heirs and Successors, full power of amending, altering, abrogating, augmenting, interpreting or dispensing with these Regulations, or any part thereof, by notification under the Royal Sign Manual.

GEORGE R.I.

GEORGE THE FIFTH, by the Grace of God, of the United Kingdom of Great Britain and Ireland, and of the British Dominions beyond the Seas, King, Defender of the Faith, Emperor of India, to all to whom these presents shall come, greeting:

Whereas Her late Majesty, Our Beloved Grandmother, Queen Victoria, by a Warrant dated the 8th day of September, 1886, did institute and create a new Naval and Military Order of Distinction designated the Distinguished Service Order, for the purpose of rewarding individual instances of meritorious or distinguished service in war;

And whereas the said Royal Warrant was subsequently amended by Royal Warrants, dated 24th July 1902, 2nd July 1903, 15th October 1903 and 23rd August 1916;

And whereas it is Our Royal Will and Pleasure that the Officers of Our recently constituted Air Forces shall be eligible for appointment to Our said Distinguished Service Order;

And whereas We deem it expedient that all amendments to the Statutes of Our said Order heretofore promulgated, or now to be promulgated, shall be incorporated in a Royal Warrant under Our Sign Manual;

Now, therefore, We do hereby declare that the rules and ordinances heretofore in force for the government of Our said Order shall be abrogated cancelled and annulled, and We are graciously pleased to make, ordain and establish the following rules and ordinances in substitution for the same, which shall henceforth be inviolably observed and kept;

Fifthly. It is ordained that Foreign Officers who have been associated in Naval, Military or Aerial operations with Our Forces shall be eligible to be Honorary Members of this Order.

Sixthly. It is ordained that when We, Our Heirs and Successors, shall be pleased to appoint any person to be a Member of this Order, such appointment shall be made by Warrant under our Sign Manual, and countersigned by one of Our Principal Secretaries of State.

Seventhly. It is ordained that anyone who, having performed services for which this Order is awarded, subsequently performs an act of gallantry, which, if he had not received this Order would have entitled him to it, shall be awarded a bar to be attached to the riband by which the Order is suspended, and for every additional act of gallantry additional Bar may be added.

Eighthly. It is ordained that an Officer shall be appointed to this Order, that is to say, a Secretary and Registrar.

Twelfthly. It is ordained that the names of those whom We may be pleased to admit to Membership of this Order shall be published in the *London Gazette*, and a registry thereof kept in the Office of Our Secretary of State for War.

Thirteenthly. Lastly. We reserve to Ourself, Our Heirs and Successors, full power of annulling, altering, adding to, augmenting, interpreting, or dispensing with these Regulations or any part thereof by a Warrant under the Sign Manual of the Sovereign for the time being.

Extracts from the King's Regulations and Admiralty Instructions.

SEAMEN

[illegible] Medal and Gratuity of the Establishment specified in Article [illegible] Appendix XXV., Part I., and to Seamen who have served prior to 1st January, 1871, and to Seamen who have served in Vessels not so specified for the Good Conduct Medal, are to be awarded [illegible] Seamen who have served in Vessels specified in Appendix XXV., Part I., and who have served prior to 1st January, 1871, and to Seamen who have served in Vessels not so specified for the Good Conduct Medal, are to be awarded under the following conditions, which are to be read in connection with the Regulations for the Medal, but not for the Gratuity:

1. To entitle a man to a Medal:—

(a.) He must have served for 10 years with continuous "Very Good" character, and must never previously have been awarded a character below "Very Good," unless for a period not exceeding one year in his first five years of service, for pension;

(b.) He must have been recommended for it on his Service Certificate for the three consecutive years immediately preceding his application.

(c.) He must be recommended for it by the Captain under whom he is serving when he becomes eligible.

2. After a man has been awarded seven years of such continuous "Very Good" character as well under these Regulations counts for one Medal, and should the character continue to be "Very Good," the Captain who added to the character of "Very Good" his concluding Good Conduct Character for the 7 years required to award the Medal, shall record in the letters R.M. Record the Medal, at the second case for him deserving. Similar form in his favourable very good conduct and accordance manner of referring his duties. After 14 years of such "Very Good" character, the Captain will in like manner add the letters R.M. Record ended.

3. In addition reference to the Second Class for conduct, should necessary, of forfeiture of the award of character to [illegible] than "Good" during any portion of the three years' service for pension, shall render a man not entirely suitable for Medal or Gratuity, except as provided for in clauses 5 and 6 of this Article, and Clause 6 of Art. 751.

4. Exceptional cases. In order not entirely to exclude from the honour of a Medal a man who may have committed himself in the early years of his service reckoning for Pension, but who may have since become a "Very Good" character, the Admiralty will consider, with reference to the grant of a Medal without Gratuity, the case of any man who can show 15 years of continuous "Very Good" character, and who has been recommended as prescribed in Clause 3, Sub-Clause (b), of this Article, notwithstanding anything he may have done or any character which may have been awarded to him, except "Bad" or "Indifferent," in his previous service.

5. The Admiralty will also consider the case of any man who would be excluded under the foregoing Regulation, but who may be specially recommended on account of his having shown highly exemplary conduct in action, or otherwise; in such cases, however, a Gratuity will not be awarded.

6. It must be distinctly understood that Medals are only granted on the condition that the recipients continue to serve for Long Service Pension, unless invalided and that, in the event of a man who has been granted a Medal declining to go on serving to complete such time, he shall surrender the Medal on his discharge, unless he has completed fifteen years of service, exclusive of pension, in which case he may retain it.

7. To entitle a man to a Gratuity:—

(a.) He must have served for 15 years with continuous "Very Good" character, and must never previously have been awarded a character below "Very Good," unless for a period not exceeding one year in his first five years for pension.

(b.) He must have been awarded the Medal and have never forfeited it.

(c.) He must have been recommended for the Gratuity on his Service Certificate for the three consecutive years immediately preceding his application.

(d.) He must have been continuously awarded the character "Very Good" since he received the Medal.

(e.) He must have completed time for Long Service Pension unless previously invalided, and must be recommended for the Gratuity by the Captain under whom he is serving at the time of application.

8. The scale for Gratuities shall be as follows:—

Leading Seaman, having served as such for not less than five years	7
Able Seamen, and others	5

10. In cases where the man recommended may not have served the full period to entitle him to the Gratuity applicable to his rating, he shall receive such lower rate, with reference to his combined service in several capacities, as in the opinion of the Admiralty, it may be proper to award him.

11. If a man should die before receiving the Gratuity to which he may be entitled, it will be paid to his widow, or next of kin if dependent upon him, provided he shall have completed time for Long Service Pension.

12. Clause 6, 8, and 16 to 22, of Article 751, are applicable to men who joined the Service before 1st January, 1885.

751. Men holding any of the Ratings specified as eligible for the good Conduct Medal in Appendix XV., Part I who entered the Service after 31st December, 1884, may be recommended for the award under the following rules:—

Note.—This also applies to all boys who were under the age of 18 on 31st December 1884.

2. To entitle a man to a Medal—

(a.) He must have served for 15 years with continuous "Very Good" character," and with previous character not inferior to "Good," in service reckoning for pension.

Note.—In cases where character during pensionable service has been assessed as "Good" on the 31st December in any year, time reckoning for Medal will not commence until the 1st January following.

(b.) He must have been recommended for the award by his Captain on his Service Certificate for the three consecutive years immediately preceding his application.

(c.) He must be recommended by the Captain under whom he is serving at the time of application.

3. After a man eligible for a Good Conduct Medal under Clause 1 has been awarded 12 years' continuous "Very Good" character as under these Regulations, will count towards the Medal, and if his character should continue to be "Very Good," the Captain, if he considers him deserving thereof, is to enter on his Conduct Sheet or Service Certificate the notations of the recommendations provided for under Arts. 823 and 830, Clause 3.

4. Desertion or Reduction to the Second Class for Conduct will render a man absolutely ineligible for the award of a Good Conduct Medal, except one reduction within the first five years of a man's time, provided that by his good conduct he earned his restoration to the First Class within 8 months, and that his character for the year in which the reduction occurred was not assessed below "Good." *See* Clause 2 (a).

5. The Admiralty will nevertheless consider any recommendation which may be made in special circumstances on behalf of a man who can show 15 years of continuous "Very Good" character, although he may be disqualified for the award of a Medal under the ordinary Regulations.

6. If a man's conduct should not have been satisfactory during the interval pending the presentation of the Medal, it is to be withheld, and the particulars of the case reported to the Admiralty

7. From the date of the award or restoration of a Medal a Continuous Service Man, provided his character is maintained, will commence earning a Good Conduct Gratuity at the rate of 1*l.* a year which is not to be paid until he completes time for Pension. If invalided before completing time for pension, he will be paid 1*l.* for each completed year that he has served since the Medal was awarded or restored.

For each year's service in the following ratings after the date of the award of the Medal, will be added—

	£	s.	d.
To Chief Petty Officer, Petty Officer (NS) and 1st Class Petty Officer (OS) ..	2	0	0
,, 2nd Class Petty Officer (OS) and men of Leading Seaman rank, with over 3 years' service as such*	1	0	0
,, Leading Seaman, except as above ..	0	15	0

until the maximum is reached, which will be, for—

	£	s.	d.
Chief Petty Officer, Petty Officer (NS) and 1st Class Petty Officer (OS ..	15	0	0
2nd Class Petty Officer (OS) and men of Leading Seaman rank, with over 3 years' service as such*	1	0	0
Leading Seaman, except as above ..	7	15	0
Able Seaman	5	0	0

8. If it is desired that men who have received Medals should also be given Gratuities, separate application must be made for the latter on their becoming eligible for the award.

9. If a man is awarded the character of "Good" instead of "Very Good," after the grant of a Medal, the period of service during which the character of "Good" is awarded will not count for increase of Gratuity, notwithstanding that he may subsequently have been deprived of the Medal.

10. If a man is deprived of his Medal, he will forfeit all claim to Gratuity; in the event of the Medal being restored before he is pensioned, not exceeding the lowest scale of Gratuity, viz. 2*l.* will be awarded.

11. If a man is invalided after having been awarded the Medal, and before completing the full time for Pension, he will be awarded the amount of Gratuity in accordance with Clause 7 of this Article.

12. If a man should die after the award of his medal, any Gratuity to which he may be entitled will be paid to his widow, or next of kin if dependent upon him.

13. Any man voluntarily quitting the Service before being entitled to a pension will not be entitled to a gratuity.

14. In cases where men who have completed time for Pension re-engage for a further period of service and are not at the time of re-engaging entitled to the maximum Gratuity, such further service will count towards it, provided they in all respects comply with the Regulations.

15. Men who have been paid the Gratuities to which they are eligible at the date of completing time for Pension, and who subsequently become eligible

further service for a higher rate of Gratuity, may be paid the difference between the amount they have already received and such higher rate. But in no case will more than two payments on account of Good Conduct Gratuity be made to the same man.

16. In the case of a man who has been paid Gratuity after completing time for Pension, and whose Pension is not secured to him under Art. 1946, Clause 2, the Gratuity paid will be recovered from his Naval Pension if he misconducts himself during subsequent service and becomes ineligible for the award on final discharge; but in the case of a man whose Pension is secured, only so much of the Gratuity as may have been earned by service in excess of 22 years will be recovered.

17. In all these cases if the Captain should see fit to withhold the required recommendation for Medal or Gratuity he will fully record in the Conduct Book his reason for so doing and draw a line across the "R. M. G." column of the man's Service Certificate or the corresponding column of his Conduct Sheet (form S.[illegible]).

18. No service can reckon for Medal or Gratuity which does not reckon for Pension, but Officers' Stewards and Cooks who have not performed the necessary service in seagoing ships to qualify for Pension under Article 1934, Clause 4, will not be debarred from an award of the Medal if otherwise eligible.

19. Imprisonment by the Civil Power shall not prejudice a man's claim to a Medal or Gratuity unless it shall have been so directed by the Admiralty if the man was serving at home at the time, or by the Commander-in-Chief if abroad.

20. A break in service not due to desertion, dismissal, sentence of imprisonment or detention or other misconduct on the Man's part will not be considered as breaking the continuity of his "Very Good" character, or of recommendations for Medal or Gratuity, provided that he rejoin within five years, or, if invalided, so soon as the state of his health permits.

21. Names of Men recommended for Medals and Gratuities are to be transmitted to the Admiralty so soon as the Men become eligible for them, on Form S. 218, accompanied by their Service Certificate, by the Commanders-in-Chief and Senior Officers at Home and Abroad, and by the District Captains of Coast Guard, and when the approval of the Admiralty has been received, the Medals are if possible to be presented before the Ship's company by the Captain of the Ship.

22. The foregoing regulations for the award of Good Conduct Medals and Gratuities apply to the Coast Guard Afloat and on Shore.

1192. Any Marine below the rank of Warrant Officer who enlisted after 31st December 1884, may be recommended for the award of a Good Conduct Medal under the following rules:—

3. After a Marine eligible for the Good Conduct Medal under Clause 1 has been awarded 12 years continuous "Very Good" character as under these Regulations will count towards Medal, and if his character should continue to be "Very Good," the Captain of his Ship or the Commandant of his Division, if he considers him deserving thereof, is to enter on his Company Conduct Sheet or Certificate the recommendations provided for under Arts. 828 and 830.

4. Desertion or reduction to the Second Class for Conduct will render a Marine absolutely ineligible for the award of a Good Conduct Medal, except for one reduction within the first five years of a Marine's time, provided that by his conduct he earns his restoration to the First Class within 8 months, and that his character for the year in which the reduction occurred was not assessed below "Good." *See* Clause 2 (a).

5. The Admiralty will nevertheless consider any recommendation which may be made, in special circumstances on behalf of a Marine who can show 15 years of continuous "Very Good" character, although he may be disqualified for the award of a Medal under the ordinary Regulations.

6. If a Marine's conduct should not have been satisfactory during the interval pending the presentation of the Medal, it is to be withheld, and the particulars of the case reported to the Admiralty.

7. Notations on Certificates are to be made in all cases of suspension and restoration of Medal in consequence of the loss of a Badge; and also in all cases of absolute forfeiture.

8. A Warrant Officer may keep and wear the Medal for Long Service and Good Conduct granted to him before promotion.

9. From the date of the award or restoration of a Medal a Marine, provided his character is maintained will commence earning a Gratuity at the rate of 1*l.* a year, which is not to be paid until he completes his time for Pension, unless he is invalided from the Service in the meantime, in which case he will be paid 1*l.* for each completed year that he has served since the Medal was awarded or restored.

To this will be added for each year's service in the following ranks or Acting and Lance Ranks in the case of Non-Commissioned Officers who are subsequently promoted to the substantive Rank after the date of the award of the Medal:—

10. If it is desired that Marines who have received Medals should also be given Gratuities, separate application must be made for the latter, on the Men becoming eligible for the award.

11. If a Marine is awarded the character of "Good" instead of "Very Good," after the grant of a Medal, the period of service during which the character of "Good" is awarded will not count for increase of Gratuity, notwithstanding that he may not have been deprived of the Medal.

12. If a Marine is deprived of his Medal, he will lose all claim to Gratuity, but in the event of the Medal being restored before he is pensioned, not more than the lowest scale of Gratuity, viz. *M.*, will be awarded.

13. If a Marine is invalided after having been awarded the Medal, and before completion of the full time for pension, he will be awarded the amount of Gratuity to which he may be then entitled by service.

14. If a Marine should die after the award of his Medal, any Gratuity to which he may be entitled will be paid to his widow, or next of kin if dependent upon him.

15. Any Marine voluntarily quitting the Service before being entitled to a Pension will not be entitled to a Gratuity.

16. In cases where Marines who have completed time for Pension re-engage for a further period of service, and are not at the time of re-engaging entitled to the Maximum Gratuity, such further service may count towards it, provided they in all respects comply with the Regulations.

17. Marines who have been paid the Good Conduct Gratuity for which they are eligible at the date of completing time for Pension, and who subsequently became eligible by further service for a higher rate of Gratuity, may be paid the difference between the amount they have already received and such higher rate. But in no case will more than two payments on account of Good Conduct Gratuity be made to the same Marine.

18. In the case of a Marine who has been paid a Good Conduct Gratuity after completing time for pension, so much of the Gratuity paid as may have been earned by service in excess of 21 years will be recovered from his Naval Pension if he misconducts himself during subsequent service, and becomes ineligible for the award on final discharge.

19. Whenever the Captain sees fit to withhold the required recommendation, he will record fully his reasons on the Company Conduct Sheet, and a copy of this record is to be attached to the next quarterly return. In the case of Marines on shore, the Commandant will similarly record his reasons on Form R. 154.

20. No service can reckon for Medal or Gratuity which does not also reckon for Pension.

21. Imprisonment by the Civil Power shall not prejudice a Marine's claim to Medal or Gratuity, unless it shall have been so directed by the Admiralty, if the man was serving at home at the time, or by the Commander-in-Chief if abroad.

22. A break in service caused by a Marine being invalided will not be considered as breaking the continuity of his "Very Good" character, or of recommendations for Medal Gratuity, provided that, should he be eligible for re-entry, he rejoins as soon as the state of his health will permit, and completes the required service.

23. The service of a Marine who reverts to the corps after serving in the Ship's Police or Sick Berth Staff on probation, will not be considered as broken in continuity with reference to Medal and Gratuity or Pension.

24. In the case of a Marine who has served in the Army prior to joining the Royal Marines, and whose former Army service after 18 years of age is allowed to reckon towards Naval Pension, only such portion of his Army Service will be allowed as qualifying service for a Good Conduct Medal and Gratuity as would be admitted if the service had been rendered in the Royal Marines instead of in the Army, in determining which, regard must be had to the "Register of Service" in the Army as well as to the character awarded to him on discharge therefrom.

Men who join from the Army must be recommended for Medals and Gratuities for three consecutive years after entry in the Marines before becoming eligible for the award in accordance with Clauses 2 and 3 of this Article.

25. Names of Marines recommended for Medals and Gratuities are to be transmitted to the Admiralty on Form S. 218 accompanied by their Service Certificates or certified copies thereof by the Commanders-in-Chief and Senior Officers at Home and Abroad and the Commandants of Royal Marines, through the Adjutant General, as soon as the Marines become eligible for them, and when the approval of the Admiralty has been received, the Medals are to be presented before the Ship's Company by the Captain of the ship, and in the case of Marines on shore by the Commandants on parade.

1193. A sum not exceeding £60 a year is [illegible] at the disposal of the Admiralty, to be distributed in Annuities not exceeding £20, as rewards for distinguished or meritorious service, to be granted either before or after discharge to Sergeants who have completed 21 years' service, or have been granted a life pension on account of hurts received in action or otherwise in the execution of duty. Such Annuities may be retained by any recipients who may subsequently attain the rank of Warrant Officer, and are to be held in addition to Pension.

2. The names of Sergeants who may be considered eligible for this reward for distinguished or meritorious service by the Officer under whom they are serving at the time of their discharge to Pension, are to be reported to, and registered in the Department of the Adjutant-General of Royal Marines, in order that when an Annuity may become vacant it may be granted to the most deserving.

3. The Sergeants selected for this honourable distinction shall be entitled to wear a Silver Medal having on one side His Majesty's effigy, and on the other the words "For Meritorious Service," the name of the Sergeant, with the date of the award, and they will not be liable to forfeiture of the Annuity and Medal, except by sentence of a Court Martial or by conviction of felony by the Civil Power.

1194. Conspicuous Gallantry Medals and Gratuities may be awarded to Non-Commissioned Officers and Privates of Royal Marines who distinguish themselves by acts of conspicuous gallantry when engaged with the enemy, under the provisions of Art. 159.

2. A Warrant Officer may retain an Annuity granted to him before promotion for conspicuous gallantry in action.

NOTE.—The rules as to deprivation and restoration of Medals are contained in Article [illegible] of the King's Regulations and Admiralty Instructions.

REGULATIONS FOR OFFICERS ON RESERVED OR RETIRED LISTS WHEN CALLED OUT OR UNDER TRAINING.

(Orders-in-Council, 8th March, 1895, 12th November, 1900. 16th May, 1904, 5th March, 1910, 5th July, 1911, 3rd Feb., 1915, and 15th Feb., 1916.

1. Whenever His Majesty may be pleased by His Order in Council, to call officers from the reserved or retired lists into active service in case of war or emergency, such officers shall be, in all respects, entitled to the pay and emoluments of their corresponding ranks on the active list, their retired pay being suspended. Officers promoted on, or subsequently to retirement, will receive the rate of Full Pay of the higher rank, and those not so promoted the rate they were receiving when last in receipt of full pay, but unemployed time on the Retired List does not count for increases of full pay governed by seniority.

2. Officers on the Retired, Pension, or Reserve Lists of the Navy, when called out for service in time of war or emergency will receive a bonus of twenty-five per cent. for every pound of the full pay of their rank earned by them, exclusive of allowances. The time served will not count for increase of retired pay or pension.

2a. If, however, an Officer's retired pay exceeds the full pay of his corresponding rank on the active list, he will continue in receipt of his retired pay, and will receive a bonus of twenty-five per cent. for every pound of retired pay received during the period of re-employment, exclusive of allowances.

5. In cases where a step or steps in rank has been granted automatically to Retired Officers solely by virtue of, and in strict, seniority the Officers are to take command according to their seniority on the Retired List, except that Captains retired from that rank are in no case to take command over an Officer on the Active List of Officers, or over one who has retired from the Active List of Flag Officers. In other cases where Officers have received advancement on the Retired List the right of command will continue to depend upon the rank last held on the Active List.

6. Officers called from the Reserve, Retired or Pension Lists during war or emergency may be promoted irrespective of the regulations which are in force at the time for Officers of the same class on the active list, but such special promotion will not extend to the granting of Flag rank or of any corresponding relative rank. 7. Allowances for Equipment to Officers of the Reserved or Retired Lists if employed in case of war or emergency:—

In the cases of Officers who have commuted their retired pay, or who received gratuities on discharge, deductions will be made from their full pay equal to the amount of retired pay commuted, or to the annual value of the gratuity. Such periods of training will not reckon as time for increase of full or retired pay.

9. In the event of the death of an Officer re employed under these regulations, from causes attributable to the service, pension and compassionate allowances will be granted to his widow and children on the special scale applicable to the rank held by the Officer at the time of his death, irrespectively of whether his marriage took place when on the active or retired list, always subject to the operation of the Commutation Acts of 1871 and 1887, under which a proportionate reduction must be made in the amounts of the pension or compassionate allowances awarded to a widow married or children born after the Officer has wholly or partially commuted his retired pay.—(O. in C., 10th August, 1908.)

OFFICERS ON THE EMERGENCY LIST.

GENTLEMEN WHO HAVE RESIGNED THEIR COMMISSIONS IN THE ROYAL NAVY.

(Under the Provisions of Orders in Council of the 13th May, 1901, and 11th February, 1913).

In order that the State may not lose altogether the advantages which it has the right to expect in return for the expenses incurred in the training of Officers, a list of Officers eligible for employment in an Emergency has been established, and the Lords Commissioners of the Admiralty expect that all Officers who are permitted to resign their Commissions on the Active List for private reasons should enrol their names on this list.

Officers so enrolled are allowed to retain their Commissions and to wear the Uniform of their rank at time of resignation, but they do not receive pay, pension, or promotion* when not employed.

If called up for Active Service, Officers on this list, if promoted subsequently to being placed on the Emergency List, receive the rate of full pay of the higher rank, and those not so promoted the rate they were receiving when last in receipt of full pay, but unemployed time on the Emergency List does not count for increases of full pay governed by seniority. Officers will also receive outfit gratuities not exceeding the following amounts:—

When employed on combatant duties.	£
Flag Officers, Commodores, and Officers of the same relative rank	40
Captains and Commanders and Officers of corresponding relative rank	35
Lieutenant-Commanders, Lieutenants and Officers of corresponding relative rank..	30
Sub-Lieutenants and Officers of corresponding relative rank	25

When employed on non-combatant duties	£
Flag Officers, Commodores, Captains, Commanders and Officers of the same relative rank	18
Officers of lower rank	15

An Officer transferred from non-combatant to combatant duties will be eligible to receive a further payment, equivalent to the difference between the two scales.

Officers promoted after they have been placed on the Emergency List will receive the rate of Full Pay of the higher rank, and those not so promoted the rate they were receiving when last on Full Pay.

They will also be granted a Bonus of 25 per cent. on the Full Pay (exclusive of Allowances) earned during their employment.

Officers who may receive hurts or wounds on Active Service in the Royal Navy, and the widows and children of Officers who may be killed, or who die of injuries received on Active Service will be eligible for the grant of Pensions and Allowances as if the Officers had been on the Active List.

Emergency Officers voluntarily re-employed (*e.g.*, during annual Manœuvres) will receive in addition to the full pay and allowances of their rank a bonus of 15 per cent. for every pound of full pay (exclusive of allowances) earned by them.

Equipment allowances will be granted at the following rates, provided that no Officer will receive any allowance if less than three years have elapsed between the date of his resignation and the date of his re-employment, and that no allowance will be repeated to the same Officer within a period of five years:—

	£	s.	d.
To all Officers below the rank of Lieutenant	9	0	0
To Lieutenant-Commanders, Lieutenants or Officers of corresponding rank	12	10	0
To Commanders or Officers of corresponding rank	14	10	0

Officers actually selected to fill appointments to be taken up in time of war or emergency, will undergo such instruction as may be considered necessary to fit them for the duties they will be called upon to perform. Attendance at such courses of instruction will be under the following regulations:—

(a) The pay is the same as would be given if called out during war or emergency, except the Bonus.

(b) Travelling expenses of Officers attending the Courses are allowed.

(c) Plain clothes may be worn, and no allowance for outfit is given.

(d) Accommodation, when available, will be provided if desired.

Ex-Officers who are placed on the List will be shown as such in the Navy List.

Any Officer who withdraws his name from the Emergency List before the age of 55 will be required to resign his Commission.

Engineer Officers placed on the List will be selected from ex-officers whose profession continues to be connected with mechanical engineering. The nature of their employment since the date on which they resigned their commission should be stated in Candidates when volunteering, and also, if selected, once a year after their names are placed on the List.

In the same manner Medical Officers only will be selected who continue to practise their profession. The nature of their present work as medical men should be stated.

Officers called from the Emergency List for active service during war or emergency will be dealt with as regards promotion under the regulations which are in force at the time to Officers of the same class on the Active List.

In special cases Officers may be promoted at the discretion of the Admiralty irrespective of the regulations governing the promotion of Officers on the Active List.

Officers are required to write annually, until they are 55 years of age, on the 1st January to the Secretary of the Admiralty, stating whether they are still willing to serve. After reaching the age of 55 Officers are required to report themselves annually between the 1st January and 31st March by letter to the Editor of the Navy List, otherwise their names will be removed from the List. They are to report at once any change in their address, and before proceeding abroad they must obtain the approval of the Admiralty.

Before Officers on the Emergency List enter into any engagement under or on behalf of Foreign Governments or accept any form of employment which may take them away from the United Kingdom, thus rendering them not available for service with the Fleet at short notice, they must first obtain the approval of the Admiralty.

Gentlemen whose names are placed on the Emergency List as volunteers to serve in case of emergency will be required to fill up and return a form which will be sent to them.

---

* Except in the case of Sub Lieutenants who are eligible for promotion to the rank of Lieutenant after attaining three years' seniority.

Sub-Lieutenants who have been or may in future be promoted to Lieutenant on attaining 3 years' seniority under existing Regulations, to be eligible for the rank of Lieutenant-Commander on attaining 8 years' seniority as Lieutenant, provided they have completed 2 years' service after being "called" (including previous service as Sub-Lieutenant).

NOTE.—For List of Officers whose Commissions have been restored under these Regulations see p. 2041.

3. Pensions for Hurts and Wounds, Widows' Pensions, Compassionate Allowances to Children, to be at the same rate, and under the same conditions, as those granted to Officers of the Royal Navy of corresponding rank.

4. Widows of Officers on the Supplementary List not killed in action, and who have not lost their lives in the execution of the service, who at the time of death had not five years' seniority as Commissioned Officers on the Active List, are eligible for the award of Gratuities, such Gratuities to be in every case less than the Gratuity that could have been payable to the Officer himself if he had been compelled by illness to retire from His Majesty's Navy instead of dying in it. (Order in Council, 7th March, 1899.)

ENTRY OF OFFICERS OF THE ROYAL NAVAL RESERVE ON THE SUPPLEMENTARY LIST OF LIEUTENANTS AND SUB-LIEUTENANTS, R.N., UNDER ORDER IN COUNCIL OF 7TH MARCH, 1913.

A limited number of Officers of the Royal Naval Reserve between the ages of 22 and 32 will be entered on a supplementary List of the Navy.

Candidates will be selected from Officers of the Royal Naval Reserve who have completed 12 months' training in the Royal Navy, or who are now undergoing training.

Application for entry from Officers now undergoing 12 months' training, who may be eligible under the above regulations, will not be considered until the applicants have performed three months of the period of training. Selected candidates will be required to undergo a medical examination.

Sub-Lieutenants will be eligible for promotion to Lieutenant after one year's service from the date of entry in the Royal Navy or on the date on which they would have become eligible for the rank of Lieutenant in the Royal Naval Reserve, but power is reserved to the Admiralty to appoint them as Acting Lieutenants at any period of their service.

In the case of Officers who may not have fulfilled the service required by the Regulations of the Board of Trade for examination for Master, promotion will be subject to their passing an examination to be held by the Board of Trade.

Lieutenant-Commanders and Lieutenants on the Supplementary List will be eligible for promotion to the rank of Commander in cases of very exceptional service.

The rates of full pay will be the same as for Lieutenant-Commanders, Lieutenants and Sub-Lieutenants, R.N., and Sub-Lieutenants on the Supplementary List will receive a messing allowance of 1s. a day in addition. It is contemplated that continuous employment on full pay will be found for all Officers entered on the Supplementary List, except when they may be on half pay either through misconduct or at own request, or when full pay shall have ceased in consequence of sickness. Half and Retired Pay, and gratuities, will be at the rates laid down for Officers entered on the Supplementary List under earlier Orders in Council. The rates of full, half, and retired pay, mentioned above, are shown in other parts of the Navy List.

At the discretion of the Admiralty a Lieutenant-Commander or Lieutenant on retirement may be granted the retired rank of Commander under the conditions applicable to Lieutenant-Commanders and Lieutenants generally.

Pensions for wounds and injuries, widows' pensions and compassionate allowances for children will be at the same rates and under the same conditions as those granted to Officers of the Royal Navy of corresponding rank.

Officers on entry will cease to be entitled to retaining fees.

The full equipment grant of 30*l*. will be given to Sub-Lieutenants and 40*l*. to Lieutenants, in consideration of their having to obtain naval uniform, provided that they have not received any outfit allowance on appointment to one of His Majesty's Ships for training within the two years immediately preceding the date of entry on the Supplementary List.

An Officer who has received outfit allowance within such two years will receive only half the equipment grant, or the difference between what he has already received and the full rate.

RELATIVE RANK OF THE OFFICERS OF THE NAVY AND ARMY.

EXTRACT FROM THE KING'S REGULATIONS.

The relative rank of Officers of the Navy with each other and with Officers of the Army shall, subject to the exceptions provided for in Chapter III. of the King's Regulations and Admiralty Instructions, be as laid down in the following Table, and shall in every case take effect according to the dates of their respective commissions, or appointments, unless the relative rank is granted at the discretion of the Admiralty, or is dependent on the attainment of seniority or completion of service. In the latter case it shall take effect from such attainment of seniority or completion of service in the particular rank.

(For Table, *see* p. 2405.)

Nothing contained in these regulations is to be considered as giving a claim to any Officer of the Navy to assume command of His Majesty's Land Forces on shore, nor to any Officer of the Army to assume command of any of His Majesty's Squadrons or Ships, or of any of the Officers or men thereunto belonging, unless under special authority from the Government of His Majesty.

When Officers of the Navy are employed on shore, on joint service with His Majesty's Land Forces, their relative rank shall carry with it all the precedence and advantages, except command, attaching to the rank with which it corresponds, and shall regulate the choice of quarters, rates of lodging money, servants, forage, fuel, and light, or allowances in their stead.

The precedence of the Naval Commander-in-Chief in the East Indies is regulated by the Royal Warrant of precedence in India.

It is His Majesty's pleasure that the following rules be observed in the Colonies in regard to the precedency of Naval and Military Officers in command of His Majesty's Forces:

a. The Officer in command of His Majesty's Naval Forces on the Station, if of the rank of an Admiral, and the Senior Officer in command of the troops, if of the rank of a General, are to have precedence next after the Governor, their own relative rank being determined by the Regulations on that subject. Governors of other Colonies shall rank next after such Naval and Military Officers.

b. The Senior Officer in command of the troops, if of the rank of Colonel or Lieutenant-Colonel, and the Officer in command of His Majesty's Naval Forces on the Station, if of equivalent rank, are to have precedency next after the Bishop and the Chief Justice, their own relative rank being determined by the regulations on that subject.

c. The Officer in command of His Majesty's Naval Forces on the Station, and the Senior Officer in command of the troops, if below the rank of Colonel or Lieut.-Colonel, are to continue to take rank, as has heretofore been the case, next after the Solicitor-General.

Whilst, however, these rules will take effect in every place in which His Majesty's Instructions, communicated through the Secretary of State, avail for the purpose, they will not override the precedence which in a few Colonies is conferred upon certain Officers, either by law, or by the terms of Letters Patent from the Crown; which instruments cannot be set aside or altered except by the issue of others having the same form and equal authority.

1. Officers of the Royal Indian Marine, Royal Naval Reserve, and Royal Naval Volunteer Reserve, rank with, but after, Officers of the Royal Navy of corresponding rank in the order here given, *e.g.*, Lieutenants R.N. rank before Lieutenants R.I.M., Lieutenants R.I.M. before Lieutenants R.N.R., Lieutenants R.N.R. before Lieutenants R.N.V.R., and Lieutenants R.N.V.R. before Sub-Lieutenants R.N., whatever their seniority may be.

2. Officers holding acting rank, rank immediately after the Officers holding the same substantive rank in the same service, *e.g.*, acting Lieutenants R.N. rank after Lieutenants R.N. (confirmed), but before Lieutenants R.I.M. (confirmed).

3. Lieutenant-Commanders R.N.R. are, however, subject to certain restrictions as regards the exercise of executive authority *see* page 2405.

4. Royal Naval Volunteer Reserve Officers are not to assume any Naval command or authority whatsoever, unless ordered to do so by a superior Naval Officer. (Art. 172, K.R. & A.I.)

The KING'S Most Excellent Majesty in Council.

WHEREAS by the Naval Agency and Distribution Act, 1864, it is provided that money distributable among the Officers and Crews of any of His Majesty's Ships of War in respect of Awards made in the several cases therein mentioned, so far as full provision respecting the distribution thereof is not made by or under any Act of Parliament other than that Act, shall be distributed under the direction of the Lords Commissioners of the Admiralty in the shares in that behalf specified in any Royal Proclamation or Order in Council:

And whereas His Majesty was pleased, by an Order in Council dated the 24th October, 1916, to authorize the distribution under the direction of the Lords Commissioners of the Admiralty of all Prize Bounty, also the net proceeds of captures and seizures under the several Acts of Parliament passed relating to the Revenues of Customs, and to Trade and Navigation, for the abolition of the Slave Trade, for the capture and destruction of Pirates and Piratical Vessels, and of the rewards conferred for the same, as also of the awards for all salvage granted to the Crews of His Majesty's Ships and Vessels of War, when not otherwise specially apportioned by the terms of the respective awards and allowances, and all other moneys whatsoever granted to be shared among the Officers and Crews of His Majesty's Ships and Vessels in the manner of Prize Money, except those arising from Prize of War, in the shares and under the Regulations set forth in the said Order:

And whereas it is considered expedient to amend the Scale of Distribution contained in the said Order in Council of 24th October, 1916, so as to provide for a fixed number of Shares to be allotted to Flag Officers and Commanding Officers in lieu of the proportions set forth in the said Order in Council of 24th October, 1916 and to make other adjustments:

Now, therefore, His Majesty is pleased, by and with the advice of His Privy Council, to cancel the above-mentioned Order in Council of the 24th October, 1916, and to authorize the distribution under the direction of the Lords Commissioners of the Admiralty of all Prize Bounty, also the net proceeds of Captures and Seizures under the several Acts of Parliament passed relating to the Revenues of Customs, and to Trade and Navigation, for the Abolition of the Slave Trade, for the Capture and Destruction of Pirates and Piratical Vessels, and of the Rewards conferred for the same, and also when not otherwise specially apportioned by the Terms of respective Awards and Allowances, of the Awards for all salvage granted to the Crews of His Majesty's Ships and Vessels of War, and all other Moneys whatsoever granted to be shared among the Officers and Crews of His Majesty's Ships and Vessels in the manner of Prize Money, except those arising from Prize of War, in the shares and under the Regulations set forth below.

THE object of the Institution is to provide for the fatherless children of our Seamen and Marines a useful and religious education, according to the principles of the Church of England, and to support and clothe them as far as the Funds will permit.

Numbers of such children are annually thrown on our Naval Ports, surrounded by all that is distressing to parents and vicious in society.

In the Female Orphan House there are 140 girls entirely dependent on the funds of the charity (eligible for admission between the ages of seven and eleven years) who are maintained, clothed, and educated; there are in addition 20 girls partially maintained by Greenwich Hospital Funds and £4 under the Royal Patriotic Fund.

The girls are under the guidance of a careful matron and subject to a course of industrial training to qualify them for domestic service. A few girls will join the Secondary School for further teaching.

There are 110 boys (to be increased to 200), maintained from the Funds of the Home, at Swanley in Kent.

The Directors depend on voluntary contributions for funds to carry on the Institution. The number of children they can receive depends upon the amount of their Funds. They therefore confidently appeal to the charitable for help in carrying on and extending these works of usefulness, and in rescuing from want and misery the fatherless children of those who have served their country, and who, in many cases, while thus engaged, have lost their lives in war, or by storm, shipwreck or disease.

Visitors are cordially invited to view the Institution, which is open daily for inspection from 11 a.m. till 3 p.m., Saturdays excepted.

GEORGE GUTHRIE'S FUND.

Education of the Sons of Scotsmen killed or disabled in the War.

This Fund Was been settled in trust as a Memorial of Lieutenant GEORGE WATSON GUTHRIE, M.B., C.M., of the Royal Army Medical Corps, who was killed in action at Beaucourt, France, on November 13th, 1916.

Dr. Guthrie, who was born in 1876, was the youngest son of the Rev. David Guthrie, Minister of the Free Church of Scotland at Liberton, and was a grandson of the Rev. Dr. Thomas Guthrie of Edinburgh. He took his medical degrees at the University of Edinburgh in 1900, and then proceeded to London, where he became a house surgeon at Middlesex Hospital. Owing to a serious illness he decided to relinquish his medical career, and accepted a business appointment in South America. For some years before the War he was resident in Chili and Peru.

In 1916 he received a commission in the R.A.M.C. and was sent to France. He was attached to the Naval Division, and was killed by a shell at Beaucourt while attending to the wounded in the open field under heavy fire.

It is estimated that the Fund will produce an annual free income of about £1,000.

The Trustees are Sir JOHN STRUTHERS, K.C.B., Scotch Education Department; Mr. W. K. DICKSON, LL.D., Advocate, Edinburgh; Mr. H. P. MACMILLAN, K.C., Edinburgh; Mr. E. H. F. BRADBY, Solicitor, London, and Professor HARVEY LITTLEJOHN, Dean of the Faculty of Medicine in the University of Edinburgh.

The Trustees are directed to apply the free income of the Fund for the purpose of educating and training for professional life or for business, or maintaining during the period of education and training, or assisting to educate or maintain the sons of Scottish officers, warrant officers, non-commissioned officers, and men of the Royal Navy, the Army, and the Royal Air Force, and their auxiliary services, wherever resident, who have served in the War, and who either have been killed in action, or been drowned, have died of wounds, accidents, or illness contracted in the course of their active service, or have been so disabled during such service as to be unable to give their sons such a position, education, and training as they would otherwise have been able to do.

The Trustees are to be the sole judges of the qualifications of the applicants, and as to whether the facts properly infer Scottish nationality.

In dealing with applications they are to give full weight to the character and social upbringing of the applicants, as well as to their educational attainments and capacity.

After the expiry of twenty-five years from the cessation of hostilities in the present War, the Fund is to be transferred to the University of Edinburgh for the purpose of endowing post-graduate research fellowships, to be known as "GEORGE GUTHRIE'S FELLOWSHIPS."

A wide discretion has been left to the Trustees, and it is not their present intention to lay down any hard-and-fast scheme with regard to the allocation of grants from the Fund. They are prepared to consider each individual case on its merits, being guided by the general principle that the purpose of the Trust is to benefit boys whose family circumstances before the War were such that they might reasonably have looked forward to becoming officers in His Majesty's Service, or to entering professional or business life, and who on account of the death or disablement of their fathers in the War are unable to obtain, or to continue, the necessary education without assistance.

The Trustees invite applications on behalf of boys who are so situated. They will also be glad to receive suggestions as to suitable cases from officers commanding military units, and from others interested.

All communications should be addressed to the Agents for the Trust, Messrs. Murray, Beith & Murray, W.S., 43 Castle Street, Edinburgh.
